Louisiana Kitchen Paul Prudhomme,1984-04-17 Here for the first time the famous food of Louisiana is presented in a cookbook written by a great creative chef who is himself world famous The extraordinary Cajun and Creole cooking of South Louisiana has roots going back over two hundred years and today it is the one really vital growing regional cuisine in America No one is more responsible than Paul Prudhomme for preserving and expanding the Louisiana tradition which he inherited from his own Cajun background Chef Prudhomme s incredibly good food has brought people from all over America and the world to his restaurant K Paul s Louisiana Kitchen in New Orleans To set down his recipes for home cooks however he did not work in the restaurant In a small test kitchen equipped with a home size stove and utensils normal for a home kitchen he retested every recipe two and three times to get exactly the results he wanted Logical though this is it was an unprecedented way for a chef to write a cookbook But Paul Prudhomme started cooking in his mother s kitchen when he was a youngster To him the difference between home and restaurant procedures is obvious and had to be taken into account So here in explicit detail are recipes for the great traditional dishes gumbos and jambalayas Shrimp Creole Turtle Soup Cajun Popcorn Crawfish Etouffee Pecan Pie and dozens more each refined by the skill and genius of Chef Prudhomme so that they are at once authentic and modern in their methods Chef Paul Prudhomme s Louisiana Kitchen is also full of surprises for he

is unique in the way he has enlarged the repertoire of Cajun and Creole food creating new dishes and variations within the old traditions Seafood Stuffed Zucchini with Seafood Cream Sauce Panted Chicken and Fettucini Veal and Oyster Crepes Artichoke Prudhomme these and many others are newly conceived recipes but they could have been created only by a Louisiana cook The most famous of Paul Prudhomme s original recipes is Blackened Redfish a daringly simple dish of fiery Cajun flavor that is often singled out by food writers as an example of the best of new American regional cooking For Louisianians and for cooks everywhere in the country this is the most exciting cookbook to be published in many years

Classic Creole Ann Cuiellette,2011 Ann Cuiellette is a native of New Orleans who grew up in a large Creole family the twelfth of thirteen children All of the dishes in this Cookbook are family recipes but each include a story about Ann s experience with that dish growing up in a household filled with love energy camaraderie sometimes chaos but most of all great food It s a Cookbook and a Storybook After the devastation of Hurricane Katrina Ann wanted to find a way to honor her family heritage especially since she had siblings who lost their homes in this tragedy
