Memoirs Of A New American American Autobiography:

Classic American Autobiographies William L. Andrews, 1992 Collects five of the most widely read biographies A Narrative of the Captivity and Restoration of Mrs Mary Rowlandson The Autobiography of Benjamin Franklin Narrative of the Life of Frederick Douglass Old Times on the Mississippi Mark Twain Four Autobiographical Narratives Zitkala sauml Gertrude Bonnin

Irish-American Autobiography James Silas Rogers, 2017-01-27 This lively survey of the ever changing Irish American experience contains many perceptive and sometimes surprising observations The Irish Times Irish American Autobiography explores the evolution of Irishness in America through memoirs that describe define and redefine what it means to be Irish From athletes and entertainers to saloon keepers community activists and Catholic priests Irish Americans of all stripes share their thoughts and perceptions on their ever evolving ethnic identity Poet and Irish studies specialist James Silas Rogers begins his evocative analysis with celebrity memoirs by athletes like boxer John L Sullivan and ballplayer Connie Mack written when the Irish were eager to put their raffish origins behind them Later he traces the many tensions registered by lesser known Irish Americans who've told their life stories South Boston step dancers set themselves against the larger culture framing their identity as outsiders looking in Even the classic 1950s sitcom The Honeymooners speaks to the poignant sense of exclusion felt by its creator Jackie Gleason Rogers also examines the changing role of Catholicism as a cultural touchstone for Irish Americans and examines the painful diffidence of priest autobiographers Irish American Autobiography becomes in the end a story of a continued search for connection documenting an ethnic fade that never quite happened

The Culture and Politics of Contemporary Street Gang Memoirs Josephine Metcalf, 2012-07-02 The publication of Sanyika Shakur's Monster The Autobiography of an L A Gang Member in 1993 generated a huge amount of excitement in literary circles New York Times book critic Michiko Kakutani deemed it a shocking and galvanic book and set off a new publishing trend of gang memoirs in the 1990s The memoirs showcased tales of violent confrontation and territorial belonging but also offered many of the first journalistic and autobiographical accounts of the much mythologized gang subculture In The Culture and Politics of Contemporary Street Gang Memoirs Josephine Metcalf focuses on three of these memoirs Shakur's Monster Luis J Rodriguez's Always Running La Vida Loca Gang Days in L A and Stanley Tookie Williams's Blue Rage Black Redemption as key representatives of the gang autobiography Metcalf examines the conflict among violence thrilling sensationalism and the authorial desire to instruct and warn competing within these works The narrative arcs of the memoirs themselves rest on the process of conversion from brutal young gang bangers to nonviolent enlightened citizens Metcalf analyzes the emergence production marketing and reception of gang memoirs Through interviews with Rodriguez Shakur and Barbara Cottman Becnel Williams's editor Metcalf reveals both the writing and publishing processes This book analyzes key narrative conventions specifically how diction dialogue and narrative arcs

shape the works The book also explores how these memoirs are consumed This interdisciplinary study fusing literary criticism sociology ethnography reader response study and editorial theory brings scholarly attention to a popular much discussed but understudied modern expression **The Rise of the Memoir** Alex Zwerdling, 2016-11-24 The Rise of the Memoir traces the growth and extraordinarily wide appeal of the memoir Its territory is private rather than public life shame guilt and embarrassment not the achievements celebrated in the public record What accounts for the sharp need writers like Rousseau Woolf Orwell Nabokov Primo Levi and Maxine Hong Kingston felt to write and to publish such works when they might more easily have chosen to remain silent Alex Zwerdling explores why each of these writers felt compelled to write them as that story can be reconstructed from personal materials available in archival collections what internal conflicts they encountered while trying and how each of them resisted the private and public pressures to stop themselves rather than pursuing this confessional route against their own doubts without a reasonable expectation that such works would be welcome in print and eventually find an empathetic audience Reconstructing this process in which a dubious project eventually becomes a compelling product a memoir that will last illuminates both what was at stake and why this serially invented open form has reshaped the expectations of readers who welcomed a vital alternative to the official story
