By Himself. Edited by G. Birkbeck Hill** Edward Gibbon,1900 Memoirs of My Life Edward Gibbon,2006-06-29 Edward Gibbon was one of the world's greatest historians and a towering figure of his age When he died in 1794 he left behind the unfinished drafts of his Memoirs which were posthumously edited by his friend Lord Sheffield and remain an astonishing portrait of a rich full life Recounting Gibbon's sickly childhood in London his disappointment with an Oxford steeped in port and prejudice his successful years in Lausanne his first and only love affair and the monolithic achievement of The Decline and Fall of the Roman Empire he distils his genius for history into a

remarkable gift for autobiography Candid and detailed these writings are filled with warmth and intellectual passion

Correspondence of Edward Gibbon, the Historian (Classic Reprint) Edward Gibbon,2017-12-22 Excerpt from The Autobiography and Correspondence of Edward Gibbon the Historian Writings are justly regarded as one of the best pieces Of Autobiography in English Literature Supplemented by his nearest surviving friend with an account of his death and a selection from his familiar letters they reproduce for us the writer of the History of the Decline and Fall of the Roman Empire That book apart from the kindliness of which he made himself a Centre was the one fruit of Gibbon s life and here we see it growing on the tree The Memoirs help us to under stand where lay the great strength of the History and why it is without that one feature which if we looked only to its subject and the time when it was written we should most expect to find At a time when modern States were tottering and mighty forces were at work upon the reconstruction of the old world and the new we might expect a historian of the Decline and Fall of Rome to show us the life and movement of the greatest of all past examples of decay and reconstruction as in a mirror where who ever looks upon it sees his own face in the middle of the scenes that lie behind The past is always of course teacher of the present Such a past as that which Gibbon set before his readers might be regarded as especially filled with suggestion to the present in which Gibbon himself lived and wrote But Gibbon by his character was free from all temptation to moralise his tale He dealt with the past only He studied thoroughly a period that filled his mind He mastered his authorities and they were such as could be mastered by one man they were all printed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged
