Beautifully crafted prose from one of Michigan s most original voices Elmore Leonard said about Jack Driscoll s stories The guy can really write And in The Goat Fish and the Lover s Knot he once again demonstrates in every sentence the grace and grit of a true storyteller The ten stories are mostly set in Michigan s northern lower peninsula a landscape as gorgeous as it is severe If at times the situations in these stories appear hopeless the characters nonetheless and even against seemingly impossible odds dare to hope These fictional individuals are so compassionately rendered that they can hardly help but be in the hands of this writer not only redeemed but made universal The stories are written from multiple points of view and testify to Driscoll s range and understanding of human nature and to how the heart in conflict with itself always defines the larger more meaningful story A high school pitching sensation loses his arm in a public school classroom during show and tell A woman lives all of her ages in one day A fourteen year old boy finds himself alone after midnight in a rowboat in the middle of the lake with his best friend s mother Driscoll is a prose stylist of the highest order a voice as original as the stories he tells Lovers of contemporary storytelling will revel in Driscoll s skill and insight on display in this unique collection    Michigan Authors & Illustrators ,2002 A continually updated database of information on authors and illustrators born in Michigan who live in Michigan or who have written books about or set in Michigan Each entry includes biographical information lists of works by the person and lists of works about the person    Voices of Michigan Charlene Oestman,2001-05    Who's who Among North American Authors Alberta Lawrence,1927 Covering the United States and Canada with their possessions and neighbors and containing the biographical and literary data of living authors whose birth or activities connect them with the continent of North America with a press section devoted to journalists and magazine writers varies slightly    **List of Members, Michigan Authors' Association** Michigan Authors Association,1906    Who's who Among North American Authors ,1925    **Ink Trails** Dave Dempsey,2012 Long revered as the birthplace of many of the nation s best known authors
