Oestreich,Scott Pleasant,2015-08-14 As in many small towns in the South folks in Conway South Carolina fill the stands on fall Fridays to cheer on their local high school football squad In 1989 with returning starter Carlos Hunt at quarterback and having finished with an 8-4 record in 1988 hopes were high that the beloved Tigers would win their first state championship But during spring practice Coach Chuck Jordan who is white benched Hunt who is black in favor of Mickey Wilson an inexperienced white player Seeing this demotion of the black quarterback as an example of the racism prevalent in football generally and in Conway specifically thirty one of the team s thirty seven black players under the guidance of H H Singleton pastor of Cherry Hill Missionary Baptist Church and president of the local NAACP boycotted the team in protest The season long strike severed the town along racial lines as it became clear that the incident was about much more than football It was about the legacy of slavery and segregation and Jim Crow and other points of tension and oppression that many people in Conway and the South had wrongly assumed were settled While the 1989 season is long over the story reverberates today Chuck Jordan is still coaching at Conway High and he s still without that state championship Meanwhile Mickey Wilson is now coaching Conway s fiercest rival the Myrtle Beach Seahawks In the annual Victory Bell Game between Conway and Myrtle Beach the biggest contest of the year for both teams a veteran coach and his young prot g compete against each other against the backdrop of a racial conflict that bitterly divided a small southern town David, the King Robert C.

Hereth,2001-04-30 What name appears throughout the Bible more than any other David the king A millennium after Abraham and a millennium before Jesus David united the 12 tribes of Israel for a brief moment of history but more important he emerges from the mists of ancient times as a person of God of inspiring nobility but also of base venality In order that we

may learn from David and appropriate his great truths for our own faith journey David the King recasts the dramatic events of his life into our own profane secularized time The great stories of David posed as many questions as they did answers How did the love hate relationship between David and his predecessor King Saul come about How could David endure the persecution by an increasingly manic Saul What was it like for Jonathan to be torn between his love for his father Saul and his dear friend David Why would noble David tolerate the murderous Joab Why would David permit Amnon to get away with his cynical rape of Tamar What happened to Abigail Davids sweet love What kind of God kills Bathshebas baby from Davids rape then gives them Solomon In David the King the events of his life are set in our modern times so that we can more easily consider the greatness and failures of Davids life with and against and through God At the end of his life we read in the Bible that a young woman was brought to him to warm him back to life though not sexually In this novel David has a surprise visit from Laurel a granddaughter he has never met She desperately wants to know him and learn of his life for reasons which she cannot disclose He recounts his great story for her a story set in the novel in the last three quarters of the 20th century In the course of his recounting all that happened to him her critical need becomes apparent In seeking to understand her grandfathers faith journey Laurel is launched on her own And David in order to help her is once again aroused to find and put into action the qualities which made him David the King for posterity In the novel Laurel finds David in the forests of the upper Midwest where he grew up in the family of Jesse the youngest of eight sons Before the famous encounter with the giant Goliath there were intimations in the Bible of a brave and precocious child one who could stand up to wild animals who grew up to be a brave soldier There was a secret anointing by Samuel of the lad Also there were glimpses of early favorable contacts with King Saul as Sauls spear carrier and as a musician who can sooth the moody monarch Therefore David the King fabricates a childhood for David where he can encounter bears and lions and where dauntless courage can be developed His preliminary involvement with King Saul and his family occurs and the stage is set for Davids encounter with the Giant Saul has been employed as head of Kingdom Advertising Associates to try to pull together into a loose confederation 12 separate agencies scattered about the country They are threatened by a powerful Eastern enemy the Phillips Company which as David arrives on the scene has challenged KAA on its home turf with The Giant A huge boisterous arrogant politician The Giant is determined to embarrass and so destroy KAA David alone dares to face him He leads a campaign which in effect cuts off the head of The Giant once and for all David the King challenges us to ourselves risk the leap of faith to find courage where it is needed to discover we are Gods choice for our present circumstances to learn for ourselves we are never alone and therefore to believe we can always live with hope
