not always know how we arrived at such a precarious point but once there we know we need healing meaning love peace hope and happiness We know that we are seeking something to fulfill us and take away our angst and our sadness What we do not know is that we are seeking God Each true life story in this book reveals a person who has teetered on the edge of grace in seemingly hopeless situations and discovered hope and healing in a loving God The people an atheist a stripper a car thief a woman who had two abortions a sex addict a lonely youth a woman who told God to go to hell a woman who hears the voice of God a priest a man with the hidden stigmata and a homosexual man abandoned by his mother all possess as diverse as they are vital elements in common they have truly found God and they have received help in their journeys of faith through the Blessed Virgin Mary s presence and messages in Medjugorje Each story therefore begins with a message that Mary has given to the world a message which speaks to that person s life and perhaps to our own The Hidden Child of Medjugorje
