## Meet Your King:

**The Aquarian Gospel of Jesus the Christ** Levi, 2023-10-21 Levi's *The Aquarian Gospel of Jesus the Christ* is a profound and thought provoking literary work that presents a unique perspective on the life and teachings of Jesus Christ. Written in a poetic and lyrical style, the book combines biblical narratives with Eastern philosophies, offering a more mystical interpretation of Jesus' ministry. The text is rich in symbolism and allegory, inviting readers to delve deeper into the spiritual teachings of Christ in a new light. Levi's fusion of Eastern and Western spiritual traditions makes this book a fascinating read for those interested in exploring alternative perspectives on Christianity and spirituality in general. *The Aquarian Gospel* stands as a testament to Levi's creativity and spiritual insight, challenging readers to rethink conventional beliefs about the life of Jesus. Levi, believed to be a pseudonymous figure, is thought to have been inspired by the Theosophical Society and other esoteric movements of the late 19th century. His background in metaphysical teachings and interest in spiritual mysticism likely influenced the writings found in this unique gospel. I highly recommend *The Aquarian Gospel of Jesus the Christ* to readers seeking a fresh and imaginative interpretation of Jesus' teachings, as well as those interested in bridging the gap between East and West in spiritual thought.

**The Aquarian Gospel of Jesus the Christ** Levi Dowling, 2006 Offers a record of the lost 18 years of Jesus. Includes travels, meetings with various masters and holy men. Teaches many deeper truths not found in other books and sometimes clarifies known teachings in the Bible. Includes chapters on Mary, his mother, John the Harbinger. Plus a chapter on the materialization of his spiritual body.

*The Aquarian Gospel of Jesus the Christ* Levi H. Dowling, 2009-03-05 An extraordinary vision of unity among the world's historic faiths and a classic of New Age spirituality. Here is a hugely influential interpretation of the lost years of Jesus Christ from roughly the ages of twelve to thirty that are not covered in Scripture, in which the Son of Man is seen to travel through the religious cultures of the East, learning and preaching the unifying spiritual ethic behind all religions. *The Aquarian Gospel of Jesus the Christ* is a stirring and deeply involving vision that profoundly impacted the development of alternative spirituality in the early twentieth century and continues to touch readers today. Now the unabridged narrative of this powerful work, drawn from one of its earliest volumes, is redesigned for ease of reading in a handsome signature edition.
