Membership Matters:

Membership Matters Charles E. Lawless, Jr., Chuck Lawless, 2005 Based on a national study this book shows how churches can move both new and old members into ministry by implementing effective new members classes

Membership Matters Chuck Lawless, 2009-05-26 Insights from Effective Churches on New Member Classes and Assimilation Findings from a national study to improve membership classes and to motivate current members into active ministry. How do churches move members both old and new into ministry? Many church staff and lay leaders know they need to start new member classes as a point of entry into their churches but don't know how. This book is based on a national study of effective churches and shows how growing churches implement new member classes and motivate their members into ministry. Membership Matters is designed to be a guide for church leaders wanting to start or improve a membership class. It includes models for classes and examples of resources such as church covenants, class schedules and lesson outlines. It also gives direction on motivating uninvolved members to participate in ministry. One chapter chronicles an ongoing discussion among pastors of growing churches that are effectively motivating members to do ministry.

Membership Matters! Tyrone Luines, 2022-11-28 Despite popular belief church membership really does matter. Membership in a church is God's design to do what He intends in the earth both in and through every believer. Apart from church membership much of the Bible God's promises and His effectual work in the life of the believer is forfeited. In Membership Matters not only are the Biblical reasons for church membership explained but the benefits are expounded upon and the consequences of not being a member are exposed. Find out for yourself why keeping believers from serious church membership is Satan's best strategy to suspend the power of God from being unleashed in your life. Don't delay. Discover today why Membership Matters. Tyrone Luines is a husband, father, pastor, and entrepreneur. He founded Croft Christian Church in 2014 after many years of service in other ministries. He has served as a Chaplain in the U.S. Air Force and is a former special needs teacher. His calling is to equip the saints for ministry by feeding them with knowledge and understanding. His utmost desire is to see God's people encouraged, empowered, and equipped to be have and do all that God intends.

Connected to Christ Peter Speckhard, 2017 Church Membership Matters Mark Agan, 2017-01-25 In most congregations there are varying degrees of commitment among the members. There are the Faithful Few who can be counted on to do whatever is needed, the Fairly Faithful who attend somewhat regularly but are not as dependable. The CEO's who attend only on Christmas, Easter, and other special days and the FPO's who use the church for Funeral Purposes Only. So is church membership really important? Can a person still be a good Christian and NOT be a member of a church? In Church Membership Matters Pastor Mark answers these questions and more.
