Very helpful product - especially for reviewing examples where you need to see more content on a single screen. It works seamlessly. And the author is very quick with updates - note Russel's post on May 2nd and how quickly the author responded with a fix. Highly recommend.

Update: Yes, works perfectly, thank you!!

Original: Does this still work (5/3)? I had a separate CSS that worked fine until ~30 mins ago. Tried this, but I'm not seeing the boxes shown in the video. I'm using Chrome on Win10.

## Chatgpt Trending Award Winning:

**AI in Popular Culture** Dal Yong Jin,2025-12-08 This book examines the transformative impact of generative AI on cultural production with a particular focus on how AI technologies like ChatGPT are reshaping the creation of popular culture. Through a comprehensive analysis of both Global North and South perspectives the book offers critical insights into AI governance ethical considerations and the future of cultural production in an increasingly AI integrated creative landscape. Tracing the evolution of AI in cultural industries from its early representations in films to its current active role in content creation across various media including film television music and animation the book explores how AI has shifted from being merely depicted in cultural works to becoming an integral tool in the creative process from pre production to post production stages. It critically analyzes three core concepts creativity control and credentials 3Cs in the context of AI driven cultural production putting focus on the examination of precarious creativity the tension between human creative expression and AI generated content. The work addresses crucial concerns about labor rights job security and creative control in the cultural industries. This book will interest graduate students and researchers in media studies cultural studies anthropology globalization studies sociology and science and technology studies STS as well as interested policymakers and practitioners interested in AI's impact on the creative industries.
