

**Louis Armstrong**

**James Lincoln Collier**

## **Louis Armstrong:**

*Louis Armstrong* Ilse Storb, 1999 This biography of Louis Armstrong gives a vivid and informative description of his personality encompasses jazz history along with his life and traces his musical development by way of numerous easy to grasp analyses and insights into his music    **Louis Armstrong, an American Genius** James Lincoln Collier, 1983 Best Books for Senior High Readers A thoroughly researched biography of this jazz great who was also a popular entertainer

[Louis Armstrong, in His Own Words](#) Louis Armstrong, 2001 Louis Armstrong has been the subject of countless biographies and music histories Yet scant attention has been paid to the remarkable array of writings he left behind Louis Armstrong In His Own Words introduces readers to a little known facet of this master trumpeter band leader and entertainer Based on extensive research through the Armstrong archives this important volume includes some of his earliest letters personal correspondence with one of his first biographers in 1943-44 autobiographical writings magazine articles and essays Here are Armstrong's own thoughts on his life and career from poverty in New Orleans to playing in the famous cafes cabarets and saloons of Storyville from his big break in 1922 with the King Oliver band to his storming of New York from his breaking of color barriers in Hollywood to the infamous King of the Zulus incident in 1949 and finally to his last days in Queens New York Along the way Armstrong recorded touching portraits of his times and offered candid often controversial opinions about racism marijuana bebop and other jazz artists such as Jelly Roll Morton and Coleman Hawkins Indeed these writings provide a balanced portrait of his life as a musician entertainer civil rights activist and cultural icon Armstrong's idiosyncratic use of language and punctuation have been preserved to give the reader an unvarnished portrayal of this compelling artist This volume also includes introductions to the writings as well as an annotated index of names and places significant to Armstrong's life    **All of Me** Jos Willems, 2006-04-30 Louis Satchmo Armstrong was not only jazz's greatest musician and innovator but also arguably its most famous entertainer and the frontal figure in the development of contemporary popular music Overcoming social and political obstacles he created a long and impressive career and an enormous musical output Now his groundbreaking musical career is amassed and detailed in this discography of all his works from professionally made commercial releases to amateur and unissued recordings All of Me is a comprehensive chronological discography born out of love and admiration for Louis Armstrong and devotion to years of collecting his musical accomplishments Author Jos Willems has meticulously compiled all of Satchmo's known recordings both studio and live performances and with assistance from internationally renowned specialists has assembled an impressively detailed accurate and complete listing This volume is superbly formatted and presented logically organized and thoroughly indexed by song title and individual Researchers collectors and enthusiasts can easily look up any detail of a recording issues and releases of particular songs publishing companies producers catalog numbers dates times and locations of recordings musicians Armstrong played with and format be it 78 or 45 RPM records LPs CDs or media appearances Every detail of

Armstrong's career is listed in this impressive volume shedding light on the enormity of his impact on jazz and popular culture. This is the ultimate reference guide for the complete works of Louis Armstrong. **Louis Armstrong** Gini Holland, Kerri O'Hern, 2005-12-15 Depicts the life and career of the popular jazz musician and describes his contributions to American music. **Who Was Louis Armstrong?** Yona Zeldis McDonough, Who HQ, 2004-12-29 If not for a stint in reform school, young Louis Armstrong might never have become a musician. It was a teacher at the Colored Waifs Home who gave him a cornet, promoted him to band leader, and saw talent in the tough kid from the even tougher New Orleans neighborhood called Storyville. But it was Louis Armstrong's own passion and genius that pushed jazz into new and exciting realms with his amazing improvisational trumpet playing. His seventy year life spanned a critical time in American music as well as black history. **Stomp Off, Let's Go** Ricky Riccardi, 2025-01-06 In *Stomp Off Let's Go* author Ricky Riccardi offers a fresh take on the most widely discussed period of Louis Armstrong's life. Tracing the trumpeter's meteoric rise from childhood in New Orleans all the way to Chicago where he changed the course of music with the Hot Five and Hot Seven recordings, Riccardi foregrounds the voices of Armstrong and his contemporaries to explore Armstrong's path and relationships more intimately in turn, providing essential insights into how Armstrong rose to become one of America's most beloved icons.

**Heart Full of Rhythm** Ricky Riccardi, 2020-08-05 Featuring never before published photographs and brand new stories culled from Armstrong's personal archives, *Heart Full of Rhythm: The Big Band Years of Louis Armstrong* tells the story of how the man called Pops became the first King of Pop. **Louis Armstrong** Hugues Panassié, 1971 **The Original Hot Five Recordings of Louis Armstrong** Gene Henry Anderson, 2007 Between 1925 and 1928, the Hot Five, the incomparable Louis Armstrong and four seasoned practitioners of the burgeoning jazz style recorded fifty-five performances in Chicago for the OKeh label. Oddly enough, the quintet immortalized on vinyl with recent technology rarely performed as a unit in local nightspots. And yet, like other music now regarded as especially historic, their work in the studio summarized approaches of the past and set standards for the future. Remarkable both for popularity among the members of the public and for influence on contemporary musicians, these recordings helped make Satchmo a familiar household name and ultimately its bearer an adored public figure. They showcased Armstrong's genius, notably his leadership in transforming the practice of jazz as an ensemble improvisation into jazz as the art of the improvising soloist. In his study, Professor Anderson for the first time provides a detailed account of the origins of this pioneering enterprise, relates individual pieces to existing copyright deposits, and contextualizes the music by offering a reliable timeline of Armstrong's professional activities during these years. All fifty-five pieces, moreover, are described in informed commentary. Publisher description. **Louis Armstrong and Paul Whiteman** Joshua Berrett, 2008-10-01 In *Louis Armstrong and Paul Whiteman*, the jazz scholar Joshua Berrett offers a provocative revision of the history of early jazz by focusing on two of its most notable practitioners. Whiteman, legendary in his day, and Armstrong, a legend ever since, Paul Whiteman's fame was unmatched throughout the twenties. Bix Beiderbecke

Bing Crosby and Jimmy and Tommy Dorsey honed their craft on his bandstand Celebrated as the King of Jazz in 1930 in a Universal Studios feature film Whiteman's imperium has declined considerably since The legend of Louis Armstrong in contrast grows ever more lustrous for decades it has been Armstrong not Whiteman who has worn the king's crown This dual biography explores these diverging legacies in the context of race commerce and the history of early jazz Early jazz Berrett argues was not a story of black innovators and white usurpers In this book a much richer more complicated story emerges a story of cross influences sidemen sundry movers and shakers who were all part of a collective experience that transcended the category of race In the world of early jazz Berrett contends kingdoms had no borders *Pops* Terry Teachout, 2009 Certain to be the definitive word on Louis Armstrong Pops paints a gripping portrait of the man his world and his music Drawing on a cache of new sources the author has crafted a sweeping new narrative biography of this towering figure

**Louis Armstrong** Sam Tanenhaus, 1989 First captured on West End Blues and other now classic recordings Louis Armstrong's innovations immediately changed the face of American music He was a dazzling showman and a true musical genius

**Louis Armstrong** Scott Allen Nollen, 2004-01-01 Louis Armstrong was not only a virtuoso musician singer composer and actor but also a dedicated writer who typed hundreds of letters and reminiscences carrying a typewriter with him on his constant travels around the globe The man never stopped creating and constantly communicated with friends and acquaintances His unique verbal musical and visual content and style permeated everything he touched Included in this extensive career biography are the major events of his life his artistic innovations and cultural achievements a detailed survey of his recordings and live performances and in depth discussions of his screen performances not only his Hollywood feature film appearances but his performances in short films European concert films and dozens of television shows

broadcast from Hollywood New York and Europe *Louis Armstrong* Elizabeth Raum, 2007 Provides an introduction to the life and biography of the popular African American jazz musician Louis Armstrong *Just a Lucky So and So* Lesa

Cline-Ransome, 2016-02-27 He was born Black poor and lucky The glowing story of Satchmo the great jazz musician Louis Armstrong Louis Armstrong has been called the most important improviser in the history of jazz Although his New Orleans neighborhood was poor in nearly everything else it was rich in superb music Young Louis took it all in especially the cornet blowing of Joe King Oliver But after a run in with the police 11 year old Louis was sent away to the Colored Waif's Home for Boys where he became a disciplined musician in the school's revered marching band Ultimately he was to travel the world from Chicago to Paris and would transform jazz through his improvised singing scatting and masterful trumpet playing He played with Duke Ellington Ella Fitzgerald Billie Holiday and other jazz greats of his day Armstrong was the first African American man to host a national radio show and the first jazz musician to write an autobiography This is a joyful tribute to the virtuoso musician and buoyant personality who introduced much of the world to jazz The author's note includes a detailed biography and resources to learn more about Louis Armstrong and jazz **Louis Armstrong, Master of Modernism**

Thomas David Brothers,2014-02-03 Nearly 100 years after bursting onto Chicago's music scene under the tutelage of Joe King Oliver Louis Armstrong is recognized as one of the most influential artists of the twentieth century A trumpet virtuoso seductive crooner and consummate entertainer Armstrong laid the foundation for the future of jazz with his stylistic innovations but his story would be incomplete without examining how he struggled in a society seething with brutally racist ideologies laws and practices This title blends cultural history musical scholarship and personal accounts from Armstrong's contemporaries to reveal his enduring contributions to jazz and popular music at a time when he and his bandmates couldn't count on food or even a friendly face on their travels across the country     **Louis Armstrong** Pat McKissack,Fredrick McKissack,1991 Louis Armstrong was the father of the modern jazz trumpet style He was also famous for his singing and playing of the song Hello Dolly Give your readers an unforgettable biography that is bound to become a favorite book

**Louis Armstrong** Joel Newsome,2017-12-15 The world of jazz was just developing when Louis Armstrong was born in 1901 During his life Armstrong became a defining figure in the burgeoning jazz movement developing his own style in both bands and in a solo career His unique approach inspired other jazz contemporaries including Bing Crosby and Billie Holiday This is the story of his life death and legacy and his lasting influence on jazz today     **Louis Armstrong** James Lincoln Collier,1985

## Unveiling the Power of Verbal Art: An Emotional Sojourn through **Louis Armstrong**

In a global inundated with screens and the cacophony of instantaneous communication, the profound energy and psychological resonance of verbal beauty often disappear into obscurity, eclipsed by the regular assault of noise and distractions. Yet, set within the musical pages of **Louis Armstrong**, a charming work of literary brilliance that imparts with natural thoughts, lies an unforgettable trip waiting to be embarked upon. Composed by a virtuoso wordsmith, that enchanting opus transports visitors on an emotional odyssey, delicately exposing the latent potential and profound influence stuck within the complex web of language. Within the heart-wrenching expanse of the evocative examination, we can embark upon an introspective exploration of the book's central styles, dissect its charming publishing design, and immerse ourselves in the indelible impression it leaves upon the depths of readers' souls.
