Roxana Galletly Johnson,1920 Thank God My Regiment an African One Clare P. Weaver,2000-03-01 Incredible Anyone interested in the hardship frustration and courage of soldiers at war will be enthralled by this book James G Hollandsworth author of *The Louisiana Native Guards* Until now Union army colonel Nathan W Daniels has been a forgotten man with a forgotten regiment The white commanding officer of the 2nd Louisiana Native Guard Volunteers a black regiment he was removed with his men from mainland military activity and confined to obscure duty on Ship Island ten miles off the coast of Mississippi However as Daniels intriguing diary documents despite an unrenowned existence that has earned them little attention from historians the 2nd Native Guards represent a pioneering stage in the history of black troops at war The story of the Louisiana Native Guards is essentially the story of the first black commissioned officers in the Civil War Ordered by General Benjamin F Butler the promotion of seventy six educated free blacks was an experimental step taken during the early days of black enlistment However within one year nearly all the officers including their white colonels were forced out or had resigned in frustration Daniels lived the tale of these removals and confided his thoughts to his diary a rare surviving narrative from someone of his rank and position Woven through daily entries of routine life on the military post are his

comments about his responsibilities and frustrations of being caught between the black and white military worlds of the day. He vividly recalls a fierce skirmish on the mainland at East Pascagoula, Mississippi, in which his black troops, having fought superbly, suffered most of their casualties from apparently intentional friendly fire from the Union gunboat Jackson sent there to protect them. In May 1863, Daniels was arrested in New Orleans on seemingly trifling charges related to his duty on Ship Island. He continued his diary in the Federally occupied city, giving fascinating details of life there and chronicling his slow torture in the machinery of the military bureaucracy. He eventually separated from the army under circumstances that remain curious. The diary also provides never-before-published pictures from wartime Ship Island, including photographs of members of Daniels' regiment visiting ship captains and Major Francis E. Dumas, the highest-ranking black officer to see combat during the war. A superb resource in and of themselves, these photographs will fascinate Civil War enthusiasts. The first published personal narrative by a regimental commander of free black troops, *Thank God My Regiment an African One*, offers a unique glimpse into the daily lives of white leaders of the earliest black soldiers. It is a significant contribution to the ongoing documentation of the experience of black troops in the Civil War. New Orleans and Urban Louisiana: 1860 to World War I Samuel Claude Shepherd, 2005 *Bowker's Best Reference Books: Author index. Title index*, 2005. Contains approximately 20,000 mostly English language sources for academic libraries of all sizes. **Guerrillas, Unionists, and Violence on the Confederate Home Front** Daniel E. Sutherland, 1999-08-01. Until recently, this localized violence was largely ignored; scholars focusing instead on large-scale operations of the war, the decisions and actions of generals and presidents. But as Daniel Sutherland reminds us, the impact of battles and elections cannot be properly understood without an examination of the struggle for survival on the home front of lives lived in the atmosphere created by war. Sutherland gathers eleven essays by such noted Civil War scholars as Michael Fellman, Donald Frazier Noel Fisher, and B. F. Cooling, each one exploring the Confederacy's internal war in a different state. All help to broaden our view of the complexity of war and to provide us with a clear picture of war's consequences, its impact on communities, homes, and families. This strong collection of essays delves deeply into what Daniel Sutherland calls the desperate side of war, enriching our understanding of a turbulent and divisive period in American history. New Orleans and Urban Louisiana Samuel Claude Shepherd, 2005. **The American Historical Review** John Franklin Jameson, Henry Eldridge Bourne, Robert Livingston Schuyler, 1902. *American Historical Review* is the oldest scholarly journal of history in the United States and the largest in the world. Published by the American Historical Association, it covers all areas of historical research. **Monthly Bulletin. New Series** St. Louis Public Library, 1925. *Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles*, 2003. Volume IV. Compiled and revised by Silas Felton. 1063 pp. revised with books missed in vols I, II, and III: regimental publications, personal narratives, biographies, campaigns and battles. Northern and Southern. Felton's new compilation is without peer. He covers the subject from five

different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state designation but were commonly known by the battery commander s name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion
