

# Love In Ancient Greece

**James N. Davidson**

## Love In Ancient Greece:

Love, Sex & Marriage in Ancient Greece Nikolaos A. Vriissimtzis,1995      *In the Orbit of Love* David Konstan,2018-06-15

This book is about love in the classical world not erotic passion but the kind of love that binds together intimate members of a family and very close friends but which may also be extended to include a wider range of individuals for whom we care deeply The book begins with a discussion of friendship focusing particularly on the Greek notion that in friendship the identities of two friends all but merge into one The book then turns to the question of loyalty and why loyalty seems not to have achieved the status of a virtue in classical thought The next chapter considers love in relation to generosity favors and gratitude There follows a discussion of grief which is a symptom of the loss of a loved one The final chapter treats love as the basis of civic solidarity In each case love is at the basis of the relations under examination In this the book departs from the more usual analysis of these affective ties in terms of reciprocity which in one way or another involves an expectation of return Seen this way such relationships seem to have a selfish or at least self centered dimension as distinct from truly other regarding attitudes While it is true that the ancient sources sometimes describe these relations including friendship as forms of mutual obligation there is also a counter strand that emphasizes genuine altruism and it is this aspect that the book seeks to bring out A close look at how love drew into its orbit the various relations examined in this book may shed light on some central features not only of ancient habits of thought but also it is to be hoped our own      *Love in Ancient Greece* Robert Flacelière,1960      **Love in Ancient Greece** Robert Flacelière,1973      *LOVE IN ANCIENT GREECE*. R. Flacelière,1977

**The Greeks and Greek Love** James N. Davidson,2007 For nearly two thousand years historians have treated the subject of homosexuality in ancient Greece with apology embarrassment or outright denial Now classics scholar James Davidson offers a brilliant unblushing exploration of the passion that permeated Greek civilization Using homosexuality as a lens Davidson sheds new light on every aspect of Greek culture from politics and religion to art and war With stunning erudition and irresistible wit and without moral judgment Davidson has written the first major examination of homosexuality in ancient Greece since the dawn of the modern gay rights movement What exactly did same sex love mean in a culture that had no word or concept comparable to our term homosexuality How sexual were these attachments When Greeks spoke of love between men and boys how young were the boys how old were the men Drawing on examples from philosophy poetry drama history and vase painting Davidson provides fascinating answers to questions that have vexed scholars for generations To begin he defines the essential Greek words for romantic love eros pothos philia and explores the shades of emotion and passion embodied in each Then exploding the myth of Greek boy love Davidson shows that Greek same sex pairs were in fact often of the same generation with boys under eighteen zealously separated from older boys and men Davidson argues that the essence of Greek homosexuality was besottedness falling head over heels and making a great big song and dance about it though sex was certainly not excluded With refreshing candor humor and an astonishing command of Greek culture Davidson

examines how this passion played out in the myths of Ganymede and Cephalus in the lives of archetypal Greek heroes such as Achilles Heracles and Alexander in the politics of Athens and the army of lovers that defended Thebes He considers the sexual peculiarities of Sparta and Crete the legend and truth surrounding Sappho and the relationship between Greek athletics and sexuality Writing with the energy vitality and irony that the subject deserves Davidson has elucidated the ruling passion of classical antiquity Ultimately The Greeks and Greek Love is about how desire homosexual and heterosexual is embodied in human civilization At once scholarly and entertaining this is a book that sheds as much light on our own world as on the world of Homer Plato and Alexander

**Dirty Love** Tim Whitmarsh, 2018-04-02 Some of the world's earliest large form fictional narratives what would today be called novels are found in ancient Greece Dating back to the first century CE these narratives contain many of the elements common to the novelistic genre for instance the joining separation and reunion of two lovers These ancient works have often been heralded as the ancestors of the modern novel but what can we say of the origins of the Greek novel itself This book argues that whereas much of Greek literature was committed to a form of cultural purism presenting itself as part of a continuous tradition reaching back to the founding fathers within the tradition the novel reveled in cultural hybridity The earliest Greek novelistic literature combined Greek and non Greek traditions More than this however it also often self consciously explored its own hybridity by focusing on stories of cultural hybridization or what we would now call mixed race relations This book is thus not a conventional account of the origins of the Greek novel it is not an attempt to pinpoint the moment of invention and to trace its subsequent development in a straight line Rather it makes a virtue of the murkiness or dirtiness of the origins of the novel there is no single point of creation no pure tradition only transgression and transformation The novel thus emerges as an outlier within the Greek literary corpus a form of literature written in Greek but not always committing to Greek cultural identity Dirty Love focuses particularly on the relationship between Persian Egyptian Jewish and Greek literature and explores such texts as Ctesias Persica Joseph and Aseneth the Alexander Romance and the tale of Ninus and Semiramis It will appeal not only to those interested in Greek literary history but also to readers of near eastern and biblical literature

**Greek Love** J. Z. Eglinton, 1971 Same-sex Desire and Love in Greco-Roman Antiquity and in the Classical Tradition of the West Beert C. Verstraete, 2005 No further information has

been provided for this title *Ancient Greek Love Magic* Christopher A. FARAONE, Christopher A Faraone, 2009-06-30 The ancient Greeks commonly resorted to magic spells to attract and keep lovers as numerous allusions in Greek literature and recently discovered voodoo dolls magical papyri gemstones and curse tablets attest Surveying and analyzing these various texts and artifacts Christopher Faraone reveals that gender is the crucial factor in understanding love spells There are he argues two distinct types of love magic the curselike charms used primarily by men to torture unwilling women with fiery and maddening passion until they surrender sexually and the binding spells and debilitating potions generally used by women to sedate angry or philandering husbands and make them more affectionate Faraone's lucid analysis of these spells also yields a

number of insights about the construction of gender in antiquity for example the femininity of socially inferior males and the maleness of autonomous prostitutes Most significantly his findings challenge the widespread modern view that all Greek men considered women to be naturally lascivious Faraone reveals the existence of an alternate male understanding of the female as naturally moderate and chaste who uses love magic to pacify and control the naturally angry and passionate male This fascinating study of magical practices and their implications for perceptions of male and female sexuality offers an unusual look at ancient Greek religion and society

**The Love Life of the Ancient Greeks** Sofia A Souli,2018-11-29 *Love Life of the Ancient Greeks* Sofia Souli,1999-10-01 *One Hundred Years of Homosexuality* David M. Halperin,1990 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company Erôs in Ancient Greece Ed Sanders,Chiara Thumiger,Christopher Carey,N. J. Lowe,2013-01-31 This volume brings together 18 articles which examine eros as an emotion in ancient Greek culture Taking into account all important thinking about the nature of eros from the 8th century BCE to the 3rd century CE it covers a very broad range of sources and theoretical approaches both in the chronological and the generic sense

**Love and Friendship Across Cultures** Soraj Hongladarom,Jeremiah Joven Joaquin,2021-01-10 This collection brings together different philosophical points of view discussing two important aspects of human life namely love and friendship within the broad context of comparative philosophy These points of view differ in terms of their cultural orientations East or West ancient or modern philosophical methodologies analytical historical experimental or phenomenological broadly construed and motivation explanatory revisionary or argumentative The volume is a comparative treatment of how diverse philosophical cultures view love and friendship such as how Aristotle and Confucius views on friendship are similar and different how the ancient Greeks and the Buddhists view friendship and happiness and how posthumous love is possible With contributions from a diverse set of scholars this book presents the emerging views of Southeast Asian philosophers compared with those of philosophers from other regions including Europe and North America The volume thus provides a multi faceted way of understanding love and friendship across cultures and will be relevant to scholars interested in philosophy the history of ideas Asian Studies and religious studies

Pathologies of Love in Classical Literature Dimitrios Kanellakis,2021-08-02 Do you believe in love at first sight The Greeks and the Romans certainly did But far from enjoying this romantic moment carefree they saw it as a cruel experience and an infection Then what are the symptoms of falling in love Are there any remedies Any form of immunity This book explores the conception of love er s as a physical emotional and mental disease a social ethical disorder and a literary unorthodoxy in Greek and Latin literature Through illustrative case studies the contributors to this volume examine two distinct yet historically and poetically interrelated traditions of pathological love lovesickness as similar to disease and deviant sexuality described in nosologic terms The chapters represent a wide range of genres lyric poetry philosophy oratory comedy tragedy elegy satire novel and of course medical literature and a fascinating synthesis of methodologies and approaches including textual criticism

comparative philology narratology performance theory and social history The book closes with an anthology of Greek and Latin passages on pathological er s While primarily aimed at an academic readership the book is accessible to anyone interested in Classics and or the theme of love L'Amour en Grèce. Love in Ancient Greece ... Translated ... by James Cleugh Robert FLACELIÈRE,James Cleugh,1962 *Love of Nature Among the Greeks and Romans* Henry Rushton Fairclough,1930 The Poetics of Eros in Ancient Greece Claude Calame,2013-08-18 The Poetics of Eros in Ancient Greece offers the first comprehensive inquiry into the deity of sexual love a power that permeated daily Greek life Avoiding Foucault s philosophical paradigm of dominance submission Claude Calame uses an anthropological and linguistic approach to re create indigenous categories of erotic love He maintains that Eros the joyful companion of Aphrodite was a divine figure around which poets constructed a physiology of desire that functioned in specific ways within a network of social relations Calame begins by showing how poetry and iconography gave a rich variety of expression to the concept of Eros then delivers a history of the deity s roles within social and political institutions and concludes with a discussion of an Eros centered metaphysics Calame s treatment of archaic and classical Greek institutions reveals Eros at work in initiation rites and celebrations educational practices the Dionysiac theater of tragedy and comedy and in real and imagined spatial settings For men Eros functioned particularly in the symposium and the gymnasium places where men and boys interacted and where future citizens were educated The household was the setting where girls brides and adult wives learned their erotic roles as such it provides the context for understanding female rites of passage and the problematics of sexuality in conjugal relations Through analyses of both Greek language and practices Calame offers a fresh subtle reading of relations between individuals as well as a quick paced and fascinating overview of Eros in Greek society at large Primitive Love and Love-stories Henry T. Finck,1899

Love In Ancient Greece: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Love In Ancient Greece : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Love In Ancient Greece : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Love In Ancient Greece : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
