**Paperbound Books in Print** ,1992    [Love Is A Free Bird](#) Osho,2003-02    [Rising In Love](#) Osho,2009    [The Path of Love](#) Osho,2014-06-10 Kabir is a 15th century Indian mystic Born a lower caste weaver Kabir opposed superstition empty ritualism and bigotry His teachings include scathing attacks against Brahmanical pride caste prejudice and the very concept of untouchability as well as exposing the dogmatism and bigotry he perceived around him Unusually even for his time he was embraced by disciples who had been raised in both Hindu and Muslim traditions who saw in him the embodiment of a life affirmative approach that transcended the narrow dogmas that divide people and set them against one another A poet weaver husband and father Kabir lived his life as a buddha and yet as an ordinary man His poetic songs tell of the ecstasy and the pitfalls on a seeker's journey on the path of love In this book Osho introduces the reader to this extraordinary mystic and his songs bringing both to light in such a way as to show how they are both timeless and utterly relevant to our time The path of love as described by Osho and though the songs of Kabir is a journey that seeks out and celebrates the divine that is hidden in the ordinary the love that becomes not just a feeling one has but ultimately a state of being that one is Each song of the bird and each cloud floating in the sky is something like a message a coded message You have to decode it you have to look deep into it you have to be silent and listen to the message    [The Power of Love](#) Osho,2016-07-19 One of the most important life events is falling in love yet we never learn about it in school Societies and religions force us into models and thought forms that are often in opposition to an organic model of love which is instead institutionalised by marriage religious affiliations and nationalism This results in love that is for most people a painful challenge in one form or another throughout life In these modern days where the focus shifts more and more to realising one's individual potential Osho helps us to direct our search for love by widening our view showing us that love has many manifestations and is not limited to the other One manifestation of love is meditation a life changing experience that allows the flowering of real love within oneself and toward

others The Osho Life Essentials series focuses on the most important questions in the life of the individual Each volume contains timeless yet contemporary investigations and discussions into questions vital to our personal search for meaning and purpose The Osho Life Essentials series focuses on questions specific to our inner life and quality of existence for example is it possible to have an authentic spirituality without a belief in God What is meditation and how does it work What can I do as an individual to make the world a better place *The Little Book Of Relationships* Osho,2001-09-17 Must love and sex go together Is solitude always lonely Why is change so threatening Delving deep into the human heart and mind Osho s Little Book of Relationships addresses questions about love and life that have troubled all of us at some point in our lives

**Love Letters to Life** Osho,2016-12-13

In the age of Facebook Twitter WhatsApp and email personal letters seem somehow out of date or at least far from most people s everyday experience This book is a rare and unique collection of letters personally written by Osho to participants from his early meditation events These are not letters to people and their personalities these are letters to our souls Osho addresses essential issues and concerns that arise on the path of meditation and self discovery The letters are encouragements to continue the process of meditation and address subjects like Self Acceptance Wisdom Consciousness The Quest for Life A Life of Freedom Earth Is Our Home Dropping Fear Dealing with Anger Rebellion and many more in a direct and penetratingly personal way Osho explains this about the value of writing letters If I write anything I write letters because a letter is as good as something that is spoken It is addressed I have not written anything except letters because to me they are a manner of speaking The other is always there before me when I write a letter The OSHO works consist almost exclusively of the spoken word addressed directly to individual people or larger audiences These talks were recorded and then transcribed and published as books This book represents one of the rare exceptions in the collected works of Osho in which his written personal letters are published Each one of these letters is like an condensed Osho Talk in haiku form He would meet with these correspondents time and again at his meditation camps or while staying in their homes This volume is a selection of his replies to their letters queries and calls for help His words are intimate incisive poetic playful and loving His encouragement to his correspondents to keep going on their chosen path of meditation and awareness while living loving and working in the ordinary world to keep their flame of commitment burning brightly when he is not physically present can inspire whomever opens this book
