Adorno Rivera, 2011-05 This book of poems is based on my own real personal life experiences as well as others I focus on

what I feel at the time what I have experienced or what someone else has experienced I write on subject matters that relates

to abuse cheating everyday life struggles and what can be done to take charge of that moment All of my poems have meaning

and messages to help others visualize a situation that may have had an effect on their lives with possible resolution My

poems are intended to inspire and motivate others as I have been inspired to write them My voice speaks out loud to

represent those who are fearful to speak for themselves If I can reach out and touch somebody and make a difference in their

life then I feel that my work was worth sharing My inspiration and motivation comes from my loving husband who came to my rescue at a time when all was dark and empty in my life and my children who gave me reasons to want to live The fact that I was in a dangerous situation also put my children s lives at risk and gave me the strength and courage to take control of my life I write poems as a medicinal tool to help heal my wounds internally and emotionally It allows me to tell a story and controls my mental state of mind by putting it at ease and peace These crucial changes allowed me to have the peace of mind that I have today I have some good memories which I will always embrace and treasure but had more bad than good that will never be forgotten *Sex Addiction* Barry Reay,Nina Attwood,Claire Gooder,2015-08-06 The concept of sex addiction took hold in the 1980s as a product of cultural anxiety Yet despite being essentially mythical sex addiction has to be taken seriously as a phenomenon Its success as a purported malady lay with its medicalization both as a self help movement in terms of self diagnosis and as a rapidly growing industry of therapists treating the new disease The media played a role in its history first with TV the tabloids and the case histories of claimed celebrity victims all helping to popularize the concept and then with the impact of the Internet This book is a critical history of an archetypically modern sexual syndrome Reay Attwood and Gooder argue that this strange history of social opportunism diagnostic amorphism therapeutic self interest and popular cultural endorsement is marked by an essential social conservatism sex addiction has become a convenient term to describe disapproved sex It is a label without explanatory force This book will be essential reading for those interested in sexuality studies contemporary history psychology psychiatry sociology media studies and studies of the Internet It will also be of interest to doctors and therapists currently working in this and related fields
