Successful Marriage M.K. Oliver, 2025-12-30 For fans of *Killing Eve* and *My Sister the Serial Killer* a sharp and brilliant romp of a novel about a reformed sociopath trying to build a successful family life and find her perfect home in North London whatever the cost Lalla Rook is happily in possession of an adoring husband two beautiful children and a beautiful house Tick tick tick She's even stopped killing people double tick Or had until she found an uninvited man snooping through her living room Now she has a dead body to dispose of amidst the stress of hosting a four year old's birthday party But the show must go on you can't cancel key social events without difficult questions being asked not even for an unidentified corpse in your front room Lalla can't pretend she hasn't missed the adrenaline rush that comes with murder As a wife and mother she's necessarily an expert multi-tasker So burying a body framing a friend and getting her daughter into a top school can be managed alongside the usual domestic minutiae It's just that her husband Stephen seems distracted her daughter's drowning of the class hamster is affecting her prospects and then there is the unexpected reappearance of an old flame And inconveniently the police have chosen the worst possible time to finally take an interest in her A Sociopath's Guide to A Successful Marriage is a darkly comic crime mystery about a reformed sociopath trying to make it as a North London mother who will do whatever it takes to save her marriage get her daughter into prep school secure her dream house in Hampstead and remove all obstacles in her path Human or otherwise
