Love Sexuality Official Catholic Teachings By:

Human Sexuality in the Catholic Tradition Kieran Scott, Harold Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality and often sex education that is offered often does not promote a mature integrated understanding of sexuality. **Human Sexuality in the Catholic Tradition** meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today. Kieran Scott and Harold Horell explore with other leading scholars how to draw from the best Christian faith traditions to renew our understanding of sexuality, explore the integration of our sexuality and our spirituality, and develop life affirming and life sustaining ways of approaching contemporary sexual issues. This book explores sexuality from spiritual, psychological, moral, and ministerial perspectives and addresses specific issues such as sex and marriage, celibacy, homosexuality, and cohabitation.

Love & Sexuality Odile M. Liebard, 1978-01-01 Official Catholic Teaching is a multivolume reference work composed of official documents of the Roman Catholic Church book jacket.

The Oxford Handbook of Religious Perspectives on Reproductive Ethics Davis, 2023 As I write this introduction, the third season of the Israeli series *Shtisel* has arrived on Netflix, eagerly awaited by viewers around the world who would never have imagined how caught up they would get by this family drama of four generations of ultra Orthodox Jews living in Jerusalem. One episode focuses on Ruchami and Hanina, a young couple who have been married for five years but without children. It turns out that pregnancy and childbirth would threaten Ruchami's life. She is using an IUD but she keeps threatening to have it removed, risking her life to become a mother. Finally, with great reluctance, Hanina visits the rebbe, the spiritual authority in their community, to discuss the possibility of using a surrogate. They are caught between two non-ideal situations: surrogacy, normally forbidden, is non-ideal but so is Ruchami's unhappiness and the possibility that she might go ahead and take the risk, which is also forbidden.

Human Sexuality Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find. Bring together a collection of

articles that are authoritative and reflect a variety of viewpoints. The contributors come from a wide range of disciplines, from nursing to medicine, from biology to history, and include sociologists, psychologists, anthropologists, political scientists, literary specialists, academics, and non-academics, clinicians, and teachers, researchers, and generalists.

Facing Ethical Issues Patrick T. McCormick and Russell B. Connors, Jr., In depth explorations of five contemporary issues in Christian ethics using case studies. Used along with the authors' *Character Choices*, *Community* readers have the perfect combination to make moral theology come alive.

Ethics and the Catechism of the Catholic Church Michael E. Allsopp, 1999 The essays in this volume are a commentary on the latest Catechism of the Catholic Church, centering on its third part (1691-2557), the part that deals with moral questions and is entitled *Life in Christ*. Their purpose is to highlight its moral teaching and make it more generally available and understandable by means of background analysis and explanation.
