**Landmark Julius Caesar** Kurt A. Raaflaub, 2019-02-05 The Landmark Julius Caesar is the definitive edition of the five works that chronicle the military campaigns of Julius Caesar. Together these five narratives present a comprehensive picture of military and political developments leading to the collapse of the Roman republic and the advent of the Roman Empire. The Gallic War is Caesar's own account of his two invasions of Britain and of conquering most of what is today France, Belgium and Switzerland. The Civil War describes the conflict in the following year which after the death of his chief rival Pompey and the defeat of Pompey's heirs and supporters resulted in Caesar's emergence as the sole power in Rome. Accompanying Caesar's own commentaries are three short but essential additional works known to us as the Alexandrian War, the African War and the Spanish War. These were written by three unknown authors who were clearly eyewitnesses and probably Roman officers. Caesar's clear and direct prose provides a riveting depiction of ancient warfare and not incidentally a persuasive portrait for the Roman people and for us of Caesar himself as a brilliant, moderate and effective leader, an image that was key to his final success. Kurt A. Raaflaub's masterful translation skillfully brings out the clarity and elegance of Caesar's style and this together with such Landmark features as maps, detailed annotations, appendices and illustrations will provide every reader, from lay person to scholar, with a rewarding and enjoyable experience.
