NULL    **Fifty Years of Exponent II** Katie Ludlow Rich,Heather Sundahl,2024-08-26 On a sweltering day in June 1974 a group of housewives graduate students and young professionals gathered in the Boston suburbs Their mission to produce the first issue of Exponent II a humble yet sincere newspaper poised on the dual platforms of Mormonism and Feminism They viewed their work as an act of devotion not rebellion and were naïve of the cold reception they would soon receive from LDS Church leaders Nevertheless the paper became a national platform connecting Mormon feminists It provided a vital space for them to question and integrate different aspects of their dual and sometimes dueling identities From the Equal Rights Amendment to queer identity Exponent II has hosted some of the most urgent conversations of its time while also embracing life's dailiness This comprehensive history and anthology celebrate five decades of Exponent II Through meticulous research and compelling storytelling the authors chronicle the organization's evolution from a kitchen table style newspaper to a quarterly magazine blog and annual retreat Its transformative impact on the lives of its participants stands as a testament to the power of connection resilience and community over ideological purity    [The Blueprint](#) Kirk Franklin,2010-05-18 Seven time Grammy award winning artist offers an inspiring blend of God and grit for building a fulfilling life The Blueprint is a transparent approach to talking about issues from marriage to politics to sex and religion and it's from my perspective Not from a Princeton mainline protestant evangelical or liberal viewpoint but from a 2010 Christian moderate with swag Kirk Franklin Gospel artist Kirk Franklin's faith wasn't always as strong as it is today His father abandoned his family his mother constantly told Kirk that he was an unwanted child and left him to be adopted when he was four his sister became a crack addict he never saw a black man who was faithful in marriage Despite his shaky foundation he found strength and success through his music and through God In The Blueprint Franklin will explain how by communicating with life's architect God he learned to see hardships as necessary life propellants and moved on to become the bestselling gospel musician in recent history as well as a devoted husband and loving father This is not a step program it's a lifelong journey With Franklin's guidance you will pursue your dreams without losing yourself in the chase do some lifescaping to eliminate the weeds that hold you back declare your life to be drama free get past your fears so you can live and love fully pass the baton to future generations by leading by example It's time to take faith out of the church pews and into our everyday lives With hope devotion and strength The Blueprint offers a plan to help you move beyond hardships to create your own personal Blueprint for life Watch a Video    **A House Without Walls: How Christ Unites His Ethnically Divided Church** Dan Crabtree,2021-11-02 In light of the heart breaking ethnic division rending America today A House Without Walls seeks to foster multi ethnic harmony in evangelical congregations by bringing Biblical clarity to current racial and ethnic conversations It uses Scripture to answer some pressing questions of our day like Are all people inherently racist Does the

gospel include racial justice Does the Bible advocate for white repentance A House Without Walls attempts to realign discussions about race under the Lordship of Jesus Christ focusing on Biblical understanding and applications It also includes extra Biblical research explaining the language and logic of current conversations about race within an aim towards confidence in engaging the prevalent cultural discourse on race The hopeful outcome of this work is listing unity among believers from diverse ethnic groups facilitated by this Scriptural study

Paradigm Revolution? Sign Me Up! Paul Winger,2024-10-29 What life do you want to live What country do you want to live in On the left hand you have nothing someone makes all the decisions regarding your life On the right hand you have everything including your life and choice That freedom of choice brings responsibility wherein you have to put effort into your life and your freedom That brings us to honesty truth compassion love and responsibility those together make a fist to include penalty Why is it those six words are not included in our US Constitution When their child is leaving home to live their life every parent will think and hope their child has ample amounts of honesty truth compassion love and responsibility in their character You do what you can so your child has what I call the big five plus one You feel better knowing your child has the qualities just mentioned Why would we launch an infant country without the same Why have we amended our

Constitution twenty seven times without including the big five I have rewritten the Constitution to include the big five plus one If you think you live in a democracy or representative government then you are wrong You may have gotten used to the life you are living but is your life and your country what you want You can put effort into achieving goals or not If there is no effort then it will never happen It is up to you Are you a person who stands upon the shoulders of others or are you a person who feels comfortable enough that you can stand by yourself
