is the greatest novel ever written But compared with other world masterpieces from the Iliad to Paradise Lost or from Oedipus the King to Hamlet or Life is a Dream for example the storyline of Don Quixote is remarkably uninspiring and lowly a middle aged man becomes mad reading novels and makes a fool of himself by believing he is a hero The first great modern novel is a warning about the reading and the writing of novels In this original study by Ces reo Bandera the intimate connection between the simplicity and humility of the story and its greatness is explored Other comparisons are also made the story of the picaresque rogue on the one hand and the psychological insights of the pastoral novel on the other Through these analyses the meaning and significance of Cervantes novel are developed The book takes into critical account Mikhail Bakhtin s theory of the novel as well as Michel Foucault s views about madness and civilization in order to bring into relief the modernity of Don Quixote From another angle the contrasting views on human desire of such critics as Unamuno and Ren Girard become central to a new understanding of Don Quixote s madness as well as to the development of the main connection between the humility of the story and its greatness ABOUT THE AUTHOR Ces reo Bandera professor emeritus of Spanish literature at the University of North Carolina at Chapel Hill is author of several books and numerous essays in English and Spanish including The Sacred Game The Role of the Sacred in the Genesis of Modern Literary Fiction PRAISE FOR THE BOOK The originality of Bandera s approach and the novelty of his focus are grounded not only on a solid knowledge of history and literary theory but also of philosophy history of religion anthropology etc Bandera s study attracts from its first pages by confronting the reader with concepts which are fundamental to an understanding of the culture and literature of the West in the 17th century Jos Mar a D ez Borque Madrid Universidad Complutense We are dealing with a book different from all others that have come out on the occasion of the Fourth Centenary It is full of intuitions accurate judgments and above all it is organized and written by an author ready to make tabula rasa of all Cervantine bibliography in order to reexamine ab ovo the state of questions that are still relevant to those who study the best classical novel H ctor Briosio Universidad de Alcal Bandera discusses the historical social and spiritual developments that in the Renaissance made a revival of the old epic an impossibility and paved the way to the invention of the modern novel He presents an immensely intelligent sensitive innovative and readable book on this immortal work Ren Girard Member of the French Academy Honorary President of the Colloquium on Violence and Religion Bandera offers an insightful analysis of Cervantes techniques including mimesis parody and irony Highly recommended M V Ekstrom Choice The book contains brilliant insights into the picaresque and the pastoral Julio Baena Renaissance Quarterly Professor Bandera enriches our understanding of the literature of the period with acute and instructive insights Edwin Williamson Bulletin of Spanish Studies [The Bookman](#) ,1930 **East-West Passage** Dorothy Brewster,2021-07-28 First published in 1954 East West Passage is a detailed study of the literary relationship between Russia and the West Divided into two parts the book focuses both on specific literary connections as well as on broader social and political considerations It traces the gradual increase in awareness of Russian
