Watchman Nee

Love Not The World:

Love Not the World Watchman Nee, 2009-01-01 In this hard hitting and controversial book the great Chinese writer and preacher Watchman Nee states that a Satanic power is behind every worldly thing and that the natural tendency of every worldly system such as politics education literature science art and music is to move away from God and toward Satan

Love Not the World (I John 2), 1986 Men who truly love God will behave accordingly avoiding the many pitfalls the world offers This study describes appropriate behavior for believers as well as reasons not to live by the world's standards **The Bible Exposition Commentary** Warren W. "Love not the World." Two sermons [on 1 John ii. 15-17] preached before the University of Cambridge, in February 1842. To which is added "The Powers that be." A sermon [on Rom. xiii. 1] preached before the same University, in September 1847 Francis Whaley HARPER, 1848 **Love Not the World** Watchman Nee, 2008-05-01

Having every one of us been in bondage to sin we readily believe that sinful things are Satanic but do we believe equally that the things of the world are Satanic Many of us I think are still in two minds about this Yet how clearly Scripture affirms that the whole world lieth in the evil one 1 John 5 19 Satan well knows that generally speaking to try to ensnare real Christians through things that are positively sinful is vain and futile They will usually sense the danger and elude him So he had contrived instead an enticing network the mesh of which is so skillfully woven as to entrap the most innocent of men We flee sinful lusts and with good reason but when it comes to such seemingly innocuous things as science and art and education how readily do we lose our sense of values and fall a prey to his enticements **The Expositor's Greek Testament** Sir William Robertson Nicoll, 1910
