all the possible combinations in a note book I have and succeeded except there is one problem I never won the jackpot You see I never had the amount needed to guarantee my chance to win Let me explain if I was rich or famous I would use all the numbers written in these volumes and guarantee me or you the jackpot However this idea will only be profitable if the jackpot reaches 100 million dollars or more The California State Lottery began on November 6 1984 when a majority of California voters passed Proposition 37 the California State Lottery Act of 1984 authorizing the creation of a lottery The current 47 27 variant began in 2000 under the name Super Lotto Plus California Super Lotto Plus is played in the style of Mega Millions every Wednesday and Saturday The minimum jackpot prize is 7 million dollars On February 16 2002 the California Lottery's highest payout of 193 million was won by three tickets Super Lotto Plus uses traditional drawing mechanisms the other games use a random number generator Let me show you how a completed number sequence from lowest to greatest is written and why the odds are wrong on a California Lotto Play Slip Plus I'll guarantee that your lucky numbers are in these Volumes
