**Louis Althusser**

## **Louis Althusser:**

On Ideology Louis Althusser,2020-03-31 This major voice in French philosophy presents a classic study of how particular political and cultural ideas come to dominate society Spanning the years 1964 to 1973 On Ideology contains the seminal text Ideology and Ideological State Apparatus 1970 which revolutionized the concept of subject formation In Reply to John Lewis 1972 73 Althusser addressed the criticisms of the English Marxist toward On Marx and Reading Capital Also included are Freud and Lacan 1964 and A Letter on Art in Reply to Andr Daspre 1966

**For Marx** Louis Althusser,2020-05-05 This is the work in which Louis Althusser formulated some of his most influential ideas For Marx first published in France in 1968 has come to be regarded as the founding text of the school of structuralist Marxism which was presided over by the fascinating and enigmatic figure of Louis Althusser Structuralism constituted an intellectual revolution in the 1960s and 1970s and radically transformed the way philosophy political and social theory history science and aesthetics were discussed and thought about For Marx was a key contribution to that process and it fundamentally recast the way in which many people understood Marx and Marxism This book contains the classic statements of Althusser s analysis of the young Marx and the importance of Feuerbach during this formative period of his thesis of the epistemological break between the early and the late Marx and of his conception of dialectics contradiction and overdetermination Also included is a study of the materialist theater of Bertolazzi and Brecht and the critique of humanist readings of Marxism Since his death in 1990 Althusser s legacy has come under renewed examination and it is increasingly recognized that the influence of his ideas has been wider and deeper than previously thought reading For Marx in its audacity originality and rigor will explain why this impact was so significant

*Philosophy and the Spontaneous Philosophy of the Scientists* Louis Althusser,2020-05-05 Intended to contribute in his own words to a left wing critique of Stalinism that would help put some substance back into the revolutionary project here in the West they are the record of a shared history At the same time they chart Althusser s critique of the theoretical system unveiled in his own major works and his developing practice of philosophy as a revolutionary weapon Attesting to the unique place which Althusser has occupied in modern intellectual history between a tradition of Marxism which he sought to reconstruct and a post Marxism which has eclipsed its predecessor these texts are indispensable reading

*Machiavelli and Us* Louis Althusser,2000 The text of Althusser s lecture course on Machiavelli originally delivered at the Ecole normale superieure in 1972 Copyright Libri GmbH All rights reserved *The Humanist Controversy and Other Writings (1966-67)* Louis Althusser,2003 This collection includes key texts from one of France s most famous philosophers which intervene in the debate between the humanist and the structuralists **Lenin and Philosophy and Other Essays** Louis Althusser,2001-11-13 Louis Althusser has tackled a wide variety of subjects including philosophy economics psychology aesthetics and political science This book contains a selection of his writings **Louis Althusser and the Traditions of French Marxism** William S. Lewis,2005-01-01 In a careful exposition of French Marxism William Lewis

places Althusser and his thought alongside the pre and post war French communist intellectual climate the result is an excellent and unique work Part theoretical treatise on some of Althusser's more complicated and less explored ideas part intellectual history Louis Althusser and the Traditions of French Marxism is in total an important text for philosophy French and francophone studies political thought cultural studies marxist thought and several other disciplines interested in the intellectual life and times of the twentieth century

**What is to be Done?** Louis Althusser,2020-10-07

What is to be done This was the question asked by Lenin in 1901 when he was having doubts about the revolutionary capabilities of the Russian working class 77 years later Louis Althusser asked the same question Faced with the tidal wave of May 68 and the recurrent hostility of the Communist Party towards the protests he wanted to offer readers a succinct guide for the revolution to come Lively brilliant and engaged this short text is wholly oriented towards one objective to organise the working class struggle Althusser provides a sharp critique of Antonio Gramsci's writings and of Eurocommunism which seduced various Marxists at the time But this book is above all the opportunity for Althusser to state what he had not succeeded in articulating elsewhere what concrete conditions would need to be satisfied before the revolution could take place Left unfinished it is published here in English for the first time

**How to Be a Marxist in Philosophy** Louis Althusser,2017-11-16

In How to Be a Marxist in Philosophy one of the most famous Marxist philosophers of the 20th century shares his concept of what it means to function fruitfully as a political thinker within the discipline and environs of philosophy This is the first English translation to Althusser's provocative and often controversial guide to being a true Marxist philosopher Althusser argues that philosophy needs Marxism It can't exist fully without it Similarly Marxism requires the rigour and structures of philosophy to give it form and focus He calls all thinking people to Remember a philosopher is a man who fights in theory and when he understands the reasons for this fight he joined the ranks of the struggle of workers and popular classes In short this book comprises Althusser's elucidation of what praxis means and why it continues to matter With a superb introduction from translator and Althusser archivist G M Goshgarian this is a book that will re-inspire contemporary Marxist thought and reinvigorate our notions of what political activism can be

**Lessons on Rousseau** Louis Althusser,2019-11-26

Althusser delivered these lectures on Rousseau's Discourse on the Origins of Inequality at the cole normale suprieure in Paris in 1972 They are fascinating for two reasons First they gave rise to a new generation of Rousseau scholars attentive not just to Rousseau's ideas but also to those of his concepts that were buried beneath metaphors or fictional situations and characters Second we are now discovering that the late Althusser's theses about aleatory materialism and the need to break with the strict determinism of theories of history in order to devise a new philosophy for Marx were being worked out well before 1985 in this reading of Rousseau dating from twelve years earlier which introduces into Rousseau's text the ideas of the void the accident the take and the necessity of contingency

**The Spectre Of Hegel** Louis Althusser,2014-01-07

Louis Althusser is remembered today as the scourge of humanist Marxism but that was his later incarnation an identity formed by years

grappling with the intellectual inheritance of Hegel and Catholicism The Spectre of Hegel collects the writings of the young Althusser before his final epistemological break with the philosopher s work in 1953 Including his famed essay Ideology and Ideological State Apparatuses The Spectre of Hegel gives a unique insight into Althusser s engagement with a philosophy he would later renounce

Louis Althusser Luke Ferretter,2007-05-07 Best known for his theories of ideology and its impact on politics and culture Louis Althusser revolutionized Marxist theory His writing changed the face of literary and cultural studies and continues to influence political modes of criticism such as feminism postcolonialism and queer theory Beginning with an introduction to the context of Marxist theory this book goes on to explain how Althusser interpreted and developed Marx s work the political implications of reading ideology and its significance for culture and criticism Althusser s aesthetic criticism of literature theatre and art Placing Althusser s key ideas in the context of earlier Marxist thought as well as tracing their development and impact Luke Ferretter presents a wide ranging yet accessible guide ideal for those new to the work of this influential critical thinker

**Politics and History** Louis Althusser,2020-05-05 In the first two essays of this book Louis Althusser analyses the work of two of the greatest thinkers of the Enlightenment Montesquieu and Rousseau He shows that although they made considerable advances towards establishing a science of politics particularly in comparison with the theorists of natural law they nevertheless remained the victims of the ideologies of their day and class Montesquieu accepted as given the political notions current in French absolutism Rousseau attempted to impose by moral conversion an already outdated mode of production The third essay examines Marx s relationship to Hegel and elaborates on the discussions of this theme in Althusser s earlier books For Marx and Lenin and Philosophy Althusser argues that Marx was able to establish a theory of historical materialism and the possibility of a Marxist philosophy of dialectical materialism not simply by turning his back on Hegel but by extracting and converting certain categories from Hegel s Logic and applying them to English political economy and French socialist political theory

Philosophy for Non-Philosophers Louis Althusser,2017-02-23 In 1980 at the end of the most intensely political period of his work and life Louis Althusser penned Philosophy for Non philosophers Available here for the first time in English Philosophy for Non philosophers constitutes a rigorous and engaged attempt to address a wide reading public unfamiliar with Althusser s project As such the work is a concentration of the most fundamental theses of Althusser s own ideas and presents a synthesis of his sprawling and disparate philosophical and political writings Nowhere else does Althusser push the distinction between philosophy and other disciplines as far or develop in such detail the concept of practice Rather than a work of popular philosophy Philosophy for Non philosophers is a continuation and conglomeration of Althusser s thought a thought whose radicality is still perceptible in those that have followed since Philosophy for Non philosophers thus provides a vivid encapsulation of Althusser s seminal influence on the leading thinkers of today including Ranciere Badiou Balibar and i ek

Althusser and His Contemporaries Warren Montag,2013-05-01 Althusser and His Contemporaries alters and expands understanding of Louis Althusser and French

philosophy of the 1960s and 1970s. Thousands of pages of previously unpublished work from different periods of Althusser's career have been made available in French since his death in 1990. Based on meticulous study of the philosopher's posthumous publications as well as his unpublished manuscripts, lecture notes, letters, and marginalia, Warren Montag provides a thoroughgoing reevaluation of Althusser's philosophical project. Montag shows that the theorist was intensely engaged with the work of his contemporaries, particularly Foucault, Derrida, Deleuze, and Lacan. Examining Althusser's philosophy as a series of encounters with his peers, Montag contends that Althusser's major philosophical confrontations revolved around three themes: structure, subject, and beginnings and endings. Reading Althusser reading his contemporaries, Montag sheds new light on structuralism, poststructuralism, and the extraordinary moment of French thought in the 1960s and 1970s.

**Letters to Franca (1961-1972)** Louis Althusser, 2025-02-20

Letters to Franca offers an extensive selection from the 500 or so extraordinary letters Louis Althusser addressed to Franca Madonia between 1961 and 1972, the most productive period in Althusser's life and the time when his most characteristic works were being elaborated and first received. This correspondence allows therefore a unique insight into Althusser's theoretical and political trajectory, giving an intimate account of the establishment of Althusserian Marxism and the intellectual, historical, and institutional milieu within which it came to prominence. It also charts the singular story of Althusser's relationship with Franca, whom he encountered in 1961 and who became his lover, intellectual confidante, and Italian translator; the letters thus have a quasi-novelistic dimension and afford a gripping vision of a remarkable couple, the chronicle of a passion. Their correspondence consequently exhibits an exceptionally diverse tonal range, alternately analytical, lyrical, ludic, and sombre, displaying an investment in language and expression barely suggested by Althusser's previously published work. At once the diary of an intellectual political existence and the narrative of a coup de foudre, these letters also uniquely provide an astonishingly self-reflexive account of Althusser's experience of manic depression, inviting the reader to witness its sometimes exhilarating, sometimes devastating effects upon his private and public being. Featuring an extensive record of Althusser's long-term engagement with the thought and practice of psychoanalysis, Letters to Franca bids the reader here and throughout to accompany Althusser on a fascinating journey between theory and life.

**Althusser** Gregory Elliott, 2020-05-05

In the international renaissance of Marxist theory during the 1960s and early 1970s, few projects generated as much excitement or controversy as Louis Althusser's return to Marx. One of the most ambitious enterprises in the post-war history of Marxism, Althusser's reconstruction of Marx's doctrine was heralded as a new start in some quarters, dismissed as a refurbished Stalinism in others. Today, more than twenty years after the appearance of his major works and amidst the profound contemporary crisis of Marxism, Althusser is the victim rather than the beneficiary of philosophical fashion. Paradoxically, the oblivion into which he has now fallen affords the opportunity for a return to Althusser, a reassessment that advances beyond the unconsidered responses that Marxist commentators have often given to his work. In this first full-scale study in English of

Althusser's career Gregory Elliott draws on a wide range of untranslated material surveying the political and intellectual context of Althusser's initiative in *For Marx* and *Reading Capital*. He analyses the nature of the Marxism developed in these works and charts their author's subsequent evolution concluding with a balance sheet of the French Marxist's contribution to historical materialism. At once sympathetic and critical Althusser's *The Detour of Theory* will establish itself as the standard introduction to its subject. [Louis Althusser](#), [Althusser and Pasolini](#) Agon Hamza, 2016-06-01 Agon Hamza offers an in-depth analysis of the main thesis of Louis Althusser's philosophical enterprise alongside a clear, engaging dissection of Pier Paolo Pasolini's most important films. There is a philosophical, religious and political relationship between Althusser's philosophy and Pier Paolo Pasolini's films. Hamza teases out the points of contact, placing specific focus on critiques of ideology, religion, ideological state apparatuses and the class struggle. The discussion, however, does not address Althusser and Pasolini alone. Hamza also draws on Spinoza, Hegel, Marx and others to complete his study. Pasolini's films are a treasure trove of Althusserian thought and Hamza ably employs Althusserian terms in his reading of the films. Althusser and Pasolini provides a creative reconstruction of Althusserian philosophy as well as a novel examination of Pasolini's film from the perspective of the filmmaker's own thought and Althusser's theses. [\*\*Althusser and Law\*\*](#) Laurent de Sutter, 2013-03-05 Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has, for practical and political as well as theoretical reasons, made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called Ideological State Apparatuses, law is at the forefront of political struggles, from the destruction of Labour Law to the exploitation of Patent Law, from the privatisation of Public Law to the ongoing hegemony of Commercial Law and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important and more contemporary than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

The Enthralling World of E-book Books: A Detailed Guide Unveiling the Pros of E-book Books: A Realm of Convenience and Versatility Kindle books, with their inherent portability and ease of availability, have liberated readers from the limitations of hardcopy books. Gone are the days of lugging cumbersome novels or meticulously searching for particular titles in shops. E-book devices, stylish and portable, effortlessly store a wide library of books, allowing readers to immerse in their preferred reads whenever, everywhere. Whether commuting on a bustling train, lounging on a sunny beach, or simply cozying up in bed, E-book books provide an unparalleled level of convenience. A Literary Universe Unfolded: Discovering the Vast Array of Kindle Books Louis Althusser The Kindle Shop, a digital treasure trove of literary gems, boasts an extensive collection of books spanning varied genres, catering to every reader's taste and preference. From gripping fiction and mind-stimulating non-fiction to classic classics and modern bestsellers, the Kindle Store offers an unparalleled abundance of titles to explore. Whether looking for escape through immersive tales of fantasy and adventure, diving into the depths of past narratives, or broadening one's knowledge with insightful works of scientific and philosophy, the Kindle Shop provides a doorway to a bookish universe brimming with endless possibilities. A Transformative Factor in the Literary Scene: The Persistent Impact of Kindle Books Louis Althusser The advent of Kindle books has certainly reshaped the bookish scene, introducing a model shift in the way books are published, disseminated, and consumed. Traditional publication houses have embraced the digital revolution, adapting their strategies to accommodate the growing need for e-books. This has led to a rise in the availability of E-book titles, ensuring that readers have entry to a vast array of bookish works at their fingers. Moreover, E-book books have equalized access to books, breaking down geographical limits and offering readers worldwide with equal opportunities to engage with the written word. Regardless of their place or socioeconomic background, individuals can now engross themselves in the intriguing world of literature, fostering a global community of readers. Conclusion: Embracing the Kindle Experience Louis Althusser E-book books Louis Althusser, with their inherent convenience, versatility, and wide array of titles, have unquestionably transformed the way we encounter literature. They offer readers the liberty to discover the limitless realm of written expression, whenever, anywhere. As we continue to travel the ever-evolving digital scene, E-book books stand as testament to the enduring power of storytelling, ensuring that the joy of reading remains reachable to all.

## **Louis Althusser Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Louis Althusser free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Louis Althusser free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Louis Althusser free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Louis Althusser. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Louis Althusser any PDF files. With these platforms, the world of PDF downloads is just a click away.
