Cornejo Polar,2002 Do you know when C sar Vallejo was born Was he a communist or a lapsed Catholic or both Do you know  
what he died of Did you know that a new collection of hand written manuscripts has been recently discovered in Montevideo  
You may not know the answer to all these questions some of them may be unanswerable but this book will help you to  
identify and compare the competing answers It describes and evaluates the manuscripts editions books collections of essays  
articles translations and doctoral theses written about Vallejo by a wealth of scholars since Vallejo s death on Good Friday  
1938 Chrétien de Troyes Douglas Kelly,2002 The supplement to the 1976 original bibliography reflects the expanding  
scope of modern Chr tien studies including items from around the world with the assistance of an international team of  
scholars The Supplement builds on and completes the Chr tien de Troyes Bibliography first published in 1976 Together the  
two volumes constitute the fullest and most complete bibliographical source now available on this major medieval author Chr  
tien de Troyes bequeathed a corpus of highly original and widely influential Arthurian romances Indeed his direct or indirect  
influence continued throughout the middle ages and beyond into modern times The Bibliographypermits students of medieval  
romance to quickly identify the areas in which Chr tien scholarship has been active Items are listed under twenty two topics  
with numerous sub sections under each topic and cross references for items that treat more than one of the topics The broad  
geographic and linguistic scope of modern Chr tien studies is evident in items not only from western Europe and North  
America but also from the growing body of medieval scholarship in eastern Europe Asia Africa South America and Australasia  
To ensure accuracy and completeness the editor has been assisted by scholars competent in the many languages in which  
Chr tien studies are now published most notably in Japanese Welsh Rumanian Hungarian and Polish as well as by other  
scholars and librarians who generously provided assistance and information in finding items difficult to access Leopoldo  
Alas (Clarín) Noël Maureen Valis,2002 Novelist critic Leopoldo Alas s reputation suffered neglect and silent reproval during  
much of the twentieth century especially under the Franco regime but his reputation has now achieved classic status in Spain  
Clearly relatedto this is the great increase in the number of translations Julian Barnes called La Regenta the foreign classic

secondary material Primary material includes Anthologies and Selections Criticism Novels Short Story Collections Plays

adaptations of the story of Carmen Carmen on Screen is a filmographic and bibliographic guide for scholars interested in the

different versions of the story of Carmen in film since her original appearance in Mérimée's novella and its operatic adaptation by Bizet. With over 110 screen versions between 1894 and 2005 it is the most adapted narrative in film. The volume offers chronological listings of 82 feature films with credits and annotations of scholarly articles, selected citations of reviews and news articles and listings of more general works on film adaptations of opera works on the novella or on the opera and finally lists of works on the 12 major female and 8 major male stars in the 82 feature films. The Old French Fabliaux Anne Elizabeth Cobby, 2009. Concise accounts of editions and studies of the Old French fabliaux. The Old French fabliaux form a corpus of over 120 short comic verse narratives from the late twelfth to the early fourteenth centuries which has been the subject of very active work over the last thirty years building on continuous though less intensive interest over the previous century. There are many editions, a society and a journal devoted to fabliaux study but until now no bibliographical survey. The author of this analytical bibliography takes a wide view of the definition of the genre in French but does not include work primarily on Chaucerian fabliaux or those in other languages. Around 1 000 entries offer precise, well judged and well written accounts of work published in this area of study. ANNE COBBY is Librarian of the Faculty of Modern Medieval Languages at the University of Cambridge. **Ramón Del Valle-Inclán** Robert Lima, 1999.

*Walford's Guide to Reference Material: Generalia, language and literature, the arts* Albert John Walford, 1998. From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials. No rigid definition of reference is applied. In addition to the expected bibliographies, indexes, dictionaries, encyclopaedias and directories, a number of important textbooks and manuals of general practice are included. While the majority of the items are books, Walford is a guide to reference material. Thus periodical articles, microforms, online and CD ROM sources are all represented. In this volume a particular effort has been made to improve coverage of the latter two categories. *Books in Print Supplement*, 1985. **Walford's Guide to Reference Material: Generalia, language & literature, the arts** Albert John Walford, Marilyn Mullan, Anthony Chalcraft, 1993.
