Love Alone Is Credible:

Love Alone is Credible Hans Urs von Balthasar, 2004 In this newly translated book von Balthasar delves deeper into this exploration of what love means what comprises the divine love of God and how we must become lovers of God in the footsteps of saints like Francis de Sales John of the Cross and Therese of Lisieux **Love Alone Is Credible** David L.

Schindler, 2008-07-02 In this volume David L Schindler presents readers with a collection of essays garnered from the 2005 conference marking the centenary of Hans Urs von Balthasar's birth That conference hosted an international gathering of scholars among them students colleagues friends and critics of Balthasar all making an effort to engage the fundamental questions of faith and reason in light of his influential contribution to Catholic theology A wide range of topics is explored in light of the Christian mystery including metaphysics and causality the nature of rationality the relationship between God and the world and the meaning of the body Featuring an impressive list of contributors Love Alone Is Credible is a tribute to the profound relevance of Balthasar's thought Love Alone Hans Urs Von Balthasar, 1970-01-01 What differentiates

Christianity from other religions Key to Christian self understanding is the recognition of the importance and glorification of divine love In this sketch Balthasar presents a theological aesthetic that covers both the study of perception and the self expression of divine glory Christian belief is thus re assessed through the lens which sees the glory of God's love **Love**

Alone is Credible. Hans Urs Von Balthasar as Interpreter of the Catholic Church David L. Schindler, 2008 Love Alone is Credible Hans Urs von Balthasar, 2004 The Trinity and the Paschal Mystery Anne Hunt, 1997 As a text for college or graduate student courses as a scholarship reference and as a guide for interested educated laity The Trinity and the Paschal Mystery is an exhilarating and invigorating journey into the most central of the Christian mysteries the triune God The book is a valuable and thought provoking resource that complements and enriches current theologies of the Trinity

Apocalyptic Phenomenology Balázs M. Mezei, 2025-11-28 This book provides a detailed view of the author's conception of apocalyptic phenomenology referring to the revelatory and self disclosing nature of phenomenological thinking a thinking that is central to our philosophical traditions today The concept of apocalyptic phenomenology i e a phenomenological theology that discloses the ultimate ground of being God in the form of divine revelation is original At the same time it is rooted in the phenomenological tradition of Offenbarung revelation revealing as the basic feature of phenomena In the author's view reality is self disclosing apocalyptic and thus he explains the connections between the original biblical notion of apocalupsis and the important developments of our philosophical traditions leading up to the theological turn of phenomenology The chapters are framed around a focus on newness and engage with the work of key thinkers such as Edmund Husserl Martin Heidegger Paul Ricœur Hans Urs von Balthasar and Anton Günther Apocalyptic Phenomenology will be of interest to scholars of both theology and philosophy Christian Theologies of Salvation Justin S. Holcomb, 2017-10-31 This text introduces the reader to the great variety of distinctive interpretations within the Christian tradition regarding

theologies of salvation distinctive interpretations expressed by a wide range of Christian theologians *Apostolic Religious Life in America Today* Richard Gribble, 2011-08-17 Apostolic religious life in the United States today is in a state of crisis Signs of this situation are readily apparent and well known to all who practice Roman Catholicism The significant decline in the number of priests and religious and fewer vocations to religious congregations have produced a severe blow to formerly active apostolates and brought grave concern for the future of these ministries While the reasons for this present situation are complex interpretation of the documents of Vatican II is clearly one very important factor Scholars hold two basic interpretations of the Council the hermeneutic of rupture sees the Council as a revolution which placed the Church on a completely new trajectory A second hermeneutic however views the Council as reform with continuity While most literature to date has analyzed the hermeneutic of rupture and the consequent transformation of apostolic religious life this book describes the opposite position Divided into two parts this volume first presents an analysis of the problem and secondly a solution to place apostolic religious life on a positive trajectory in the 21st century The first section of this book describes how the hermeneutic of rupture is an incorrect reading of Vatican II Rather the Council in addressing numerous issues did not break from the past but rather sought to understand Church teaching in more contemporary ways but with continuity to the Tradition Essays in this section describe this misreading of Vatican II the consequent misunderstanding of the evangelical counsels and the rejection of religious signs The second section through an analysis of the writings of Hans Urs von Balthasar Basile Moreau Pope Benedict XVI and a reflection on *Perfectae Caritatis* provides a solution of Christian love as the operative way to reform apostolic religious life today ABOUT THE EDITOR Richard Gribble C S C is professor of religious studies at Stonehill College He has written four critical biographies including *American Apostle of the Family Rosary The Life of Patrick J Peyton* C S C and *An Archbishop for the People The Life of Edward J Hanna* He is a frequent contributor to many journals including *The Catholic Historical Review* *American Catholic Studies* and the *Journal of Church and State* PRAISE FOR THE BOOK This book is a true service to those seeking to understand consecrated apostolic life whether they are themselves members of religious orders and congregations or are among those who love the vocation esteem religious Sisters and desire that this calling be strengthened in the Church Francis Cardinal George O M I Archbishop of Chicago Finally a book that explains why some attempts of religious congregations to renew themselves after Vatican II succeeded and why so many failed Understanding the radical nature of what the vows really require of a religious community is no small achievement The vision of religious consecration set forth in these essays will be a fine road map for the many new groups springing up out of a desire to serve Christ and the Church Joseph W Koterski S J Professor of Philosophy Fordham University Without a doubt religious life in America today is at a turning point We are well aware of the factors that have brought us to this moment The more interesting and important question is where do we go from here Some have predicted the death of consecrated life as we know it while others have anticipated renewal and re birth This volume indeed views all of religious life in the continuum

of the Lord's Paschal Mystery death and resurrection but gives us hope that the call to follow the Lord through the evangelical counsels is far from its predicted end Most Reverend David M O Connell C M J C D Bishop of Trenton A very significant collection of essay **Does Jesus Know Us--do We Know Him?** Hans Urs von Balthasar,1983-01-01 The two reflections that form this book do not claim to mediate in the conflict between naive piety and scientific exegesis They arise from the conviction that only the Scriptures of the New Covenant taken as witnesses of faith and in their entirety can produce a tangible and credible portrait of Jesus Christ whereas every critical attempt to approach him from a position other than that of the faith witnessed to in the Scriptures can only result in a pallid distorted picture unworthy of belief and hence devoid of interest It is a fact only the person who is convinced that Jesus knows him personally gains access to knowledge of him And only the person who is confident of knowing him as he is can know that he is also known by him *Test Everything; Hold Fast to What Is Good* Hans Urs Von Balthasar,2012-09-27 Von Balthasar speaks from the heart in an interview giving his views on some of the most controversial topics of the day the Jews the anti Roman attitude sexuality liberation theology and others Known for his vast theological works and wide ranging intellect von Balthasar continues to show his ability to address critical issues facing today's Church in a clear concise and readable manner **Love Alone is Credible** Hans Urs von Balthasar,2014 **Heart of the World** Hans Urs von Balthasar,1979 A great Catholic theologian speaks from the heart about the Heart of Christ in a profound and lyrical meditation on Our Lord's love for his Bride the Church **In the Fullness of Faith** Hans Urs Von Balthasar,2012-08-20 Virtually every aspect of Catholicism which is controversial within the Church or a stumbling block to non Catholic Christians is treated in this book Rather than avoiding what is most glaringly unmodern or what is most criticized by non Catholics Balthasar reviews these elements one by one and shows how they are rooted in the central Christian mysteries and the commonly accepted tradition What is specifically Catholic is not defended polemically but described in such a way that others can see even from their own point of view the inner consistency with the mystery affirmed by all Here is a form of thought which is truly ecumenical precisely because it is fully Catholic We are not only interested in those aspects of the mystery of the Roman Catholic Church which set her apart from the other Christian communities but also to show how often they are central beliefs by describing what is specifically Catholic in such a way that the partner in dialogue can see even from his own standpoint the inner consistency Hans Urs von Balthasar

Engagement with God Hans Urs von Balthasar,2008 Foreward by Dr Margaret Turek The brilliant theologian and philosopher Hans Urs von Balthasar writes about God's involvement with man and man's involvement with God in the Old and the New Testaments He shows how that interaction of the divine with the human reveals the meaning of true freedom that man is always hungering for but often strives after in wrong and dangerous ways He shows that God's free revelation of himself in Christ is an invitation to enter into the realm of absolute and divine freedom in which alone human freedom can be fully realized From the true Christian there radiates the kind of freedom that is constantly being sought after by the non

Christian In modern times the freedom of man is a theme that preoccupies everyone Atheistic philosophies are wholly taken up with this preoccupation The Enlightenment was concerned with the freeing of reason from the fetters of faith Marx wrote about freeing man economically and Freud wrote of freeing man from the bondage of a past as yet unmastered As opposed to those whose search for freedom urges them onward into a barren void the Christian stands as the messenger of freedom accomplished and a freedom attainable by all A true freedom of the sons and daughters of God Just as Love Alone Is Credible captures the essence of the seven volume The Glory of the Lord so does Engagement with God explain his five volume Theo Drama But here he does more by setting his account of the drama of Christian discipleship against the anti Christian ideologies of the 1960s he brings his theology to bear on the highest cost of discipleship martyrdom by seeing the martyr as the mirror of God s own involvement in the human race through his own martyred Son One can hardly read a more sober and yet exhilarating account of what it means to live committed to God s own commitment to the world Edward T Oakes S J Author Pattern of Redemption The Theology of Hans Urs Von Balthasar *Female Quest in Christina Stead's For Love Alone* Mathilda Adie,2004 Christina Stead s works resist simplistic categorization a circumstance which has attracted some critics and exasperated many others The upsurge of post colonial and feminist criticism in the 1980s revitalized critical interest in her books Exuberant intertextuality and an abundance of contradictory literary and ideological discourses previously often regarded as excesses flawing Stead s literary style now became appreciated qualities The aim of this book is to illuminate a host of revealing but frequently overlooked details that form patterns essential for a deeper understanding and enjoyment of Stead s novels Intertextuality and the workings of conflicting discourses play prominent parts in the critical analyses of quests undertaken by Stead s female characters particularly that of Teresa Hawkins whose quest provides For Love Alone with its romance structure A combination of Northrop Frye s myth criticism with feminist and post colonial criticism opens the way for an in depth analysis of Teresa as a modern quest hero informed by literature but at odds with its conventional gender roles The intertextual perspective sheds light on her progress as well as on important parts of the literary context in which For Love Alone is embedded The concluding survey of Stead s other novels traces the development of Stead s treatment of female quest within the entire body of her fiction *Unless You Become Like this Child* Hans Urs von Balthasar,1991 In one of the last books written before his death the great theologian provides a moving and profound meditation on the theme of spiritual childhood Somewhat startlingly von Balthasar puts forth his conviction that the central mystery of Christianity is our transformation from world wise self sufficient adults into abiding children of the Father of Jesus by the grace of their Spirit The Christian State of Life Hans Urs von Balthasar,1983-01-01 The sole purpose of this book is to provide a comprehensive meditation on the foundations and background of St Ignatius contemplation on the call of Christ on the answer we must give if we want to give great proof of our love and on the choice explicitly demanded of us either to follow Christ our Lord to the first state of life which is that of observing the commandments of which he has given

us an example by his obedience to his parents or to follow him to the second state which is that of evangelical perfection of which he has given us an example by leaving his family to devote himself exclusively to the service of his eternal Father And this so that we can arrive at perfection which is of course the perfection of Christian love in whatever state or way of life God our Lord may grant us to choose The goal of our meditation is to understand why this act of choosing a state or way of life within our Holy Mother the hierarchical Church is possible and necessary in the first place and why there should be any either or since both ways are capable of leading us to the same perfection of love just as the same act viewed from different perspectives can be either absolute or relative Preface Life Out of Death Hans Urs von Balthasar, 2012-01-01 Death and dying are inseparably linked with life They are self evident and at the same time cannot be grasped by reason alone they are ordinary and yet so incredible In these meditations the acclaimed theologian Hans Urs von Balthasar investigates this great mystery He asks about the contradiction inherent in all men of wishing to achieve something imperishable in transitoriness and gives an answer culled from the Scriptures and from the Church Fathers In looking at this contradiction that appears to be irreconcilable from a purely human perspective Balthasar tries to find something in the human existence that the Christian solution can take up for if there was nothing one would not see how Christianity could connect to our existence at all This starting point becomes fully visible and effective only when the Christian interpretation itself becomes evident otherwise it remains open to dangerous misinterpretations The emphasis lies in the word mystery The reader must meditate on these profound ideas which are demanding both in language and contents then the reading will inspire him with insights and prospects that will while not resolving the paradox that everything earthly is inscribed on the sand of transitoriness will anchor it in the Christian faith which claims that man is eternal and that God himself became man in the person of Jesus Christ to help us attain to that eternal life *Brave Heart of Jesus* Joe Egan, 2004 A critical look at Mel Gibson s film The Passion of the Christ
