Conscious Love Stevie Carnegie, 2025-09-24

Conscious Love is the Virtue that Can Change the World What if love wasn't just a feeling but a force of transformation Not the fleeting warmth of romance but the steady unwavering power of virtue based love the kind taught by ancient mystics and modern day spiritual leaders alike In Conscious Love Moral Philosopher and award winning Conscious Leadership Ethicist Dr Stevie Carnegie invites you on a soul deep exploration of love not as emotion but as conscious ethical action Drawing on timeless wisdom from Aristotle to the Dalai Lama Stevie unveils three umbrella forms of love Emotional Spiritual and Virtue based Conscious Love and reveals why only one can truly change our world This isn't a book about falling in love It's a book about rising in love love that is felt and lived Love that reaches beyond the personal to the planetary Love that becomes your leadership Your legacy Your compass If you've ever wished for a more loving world this is your call to become part of it Because Conscious Love isn't a dream It's a choice And the time is now Living a conscious loving life is the same as living an ethical life and it may be the most revolutionary act you'll ever commit So whether you want to see a more loving world or a more ethical world or a more conscious world it's all about working together to develop a global consciousness of conscious love in action

Human Love and Emotion

Walter M. Gallichan, 19??

Love Robert C.

Solomon, 2010-12-08 Love our hearts yearn for it we fall into it or out of it we'll do almost anything to attain and keep it

Those who have experienced the power of love whirl from its embrace It is delicious anguish gut wrenching pain and intoxicating allure Nations go to war over it crimes are committed to satisfy its demands lives are often ruined because of it and extraordinary feats of courage and sacrifice are performed in its name But beyond the cliches and greeting card platitudes do we really understand what love is and how it alters the way we think feel and behave Should love be viewed as little more than a lusty romp or is there more to it What is the relationship between love and romance caring concern

compassion thoughtfulness sex and the many other components that our society jumbles together in this potent potpourri whose power can give strength to the weakest among us or turn powerhouses of strength into emotional mush It is precisely because love is such an important part of our lives that we owe it to ourselves to reach beyond overwhelming passion and the roadblocks of illusion to achieve real understanding of this extraordinary human phenomenon It won't always be easy in fact it's sometimes quite painful But the rewards are many for those who will risk exploring their own cherished attitudes about a subject that has held us in its grip for centuries and shows no signs of letting go Some of the topics covered are What I Feel in My Heart On the Alleged Origins of Romantic Love What Do I Want When I Want You Why Do I Love You The Importance of Being Honest Love Sex and Intimacy Beyond Sex and Gender What's So Good About Love
