OLR Index ,1925 Library of Congress Catalogs Library of Congress,1975 **What Do I Read Next? 00 V2** Gale Group,2000-11 The Athenaeum ,1878 Peculiar Whiteness Justin Mellette,2021-03-01 Peculiar Whiteness Racial Anxiety and Poor Whites in Southern Literature 1900 1965 argues for deeper consideration of the complexities surrounding the disparate treatment of poor whites throughout southern literature and attests to how broad such experiences have been While the history of prejudice against this group is not the same as the legacy of violence perpetrated against people of color in America individuals regarded as white trash have suffered a dehumanizing process in the writings of various white authors

Poor white characters are frequently maligned as grotesque and anxiety inducing especially when they are aligned in close proximity to blacks or to people with disabilities. Thus as a symbol much has been asked of poor whites and various iterations of the label e.g. white trash, tenant farmers or even people with a little less money than average have been subject to a broad spectrum of judgment, pity, compassion, fear and anxiety. Peculiar Whiteness engages key issues in contemporary critical race studies, whiteness studies and southern studies both literary and historical. Through discussions of authors including Charles Chesnutt, Thomas Dixon, Sutton Griggs, Erskine Caldwell, Lillian Smith, William Faulkner and Flannery O'Connor we see how whites in a position of power work to maintain their status often by finding ways to recategorize and marginalize people who might not otherwise have seemed to fall under the auspices or boundaries of white trash.      **Ontario Library Review**, 1926
