Love Is For Her:

Because I Love Her Andrea N. Richesin, 2009-04-01 This profound and poignant collection highlights some of the best literary writers of our time in an era when the roles of mothers and daughters are constantly being questioned and redefined. Because I Love Her explores the deepest bonds and truths of motherhood by sharing stories and secrets of becoming a mother and grandmother. Ranging from established and bestselling authors to exciting new voices, these women reveal what their mothers taught them, what they in turn hope to impart to their daughters, and finally what they've learned as a bridge between the two.

Love Her Wild Atticus, 2017-07-11 The first collection of poetry by the New York Times bestselling author of *The Dark Between Stars*. Love Her Wild is a collection of new and beloved poems from the poet Atticus who has captured the hearts and minds of hundreds of thousands of avid followers on his Instagram account *atticuspoetry*, including superstars like Karlie Kloss and Shay Mitchell. Dubbed the 1 poet to follow by Teen Vogue and the world's most tattooable poet by *Galore* magazine, in *Love Her Wild* Atticus captures what is both raw and relatable about the smallest and the grandest moments in life: the first glimpse of a new love in Paris, skinny dipping on a summer's night, the irrepressible exuberance of the female spirit, or drinking whiskey in the desert watching the rising sun. With honesty, poignancy, and romantic flare, Atticus distills the most exhilarating highs and the heartbreaking lows of life and love into a few short lines, ensuring that his words will become etched in your mind and will awaken your sense of adventure.

How I Learned To Love Her Shubham Joshi, 2021-01-16 We all have got our journeys in life; some lead to destinations, others lead to a new beginning again, but everything ends up teaching something. Love is indeed very precious. In the walk of our lives, we come across many strangers with whom we share many moments. These are undoubtedly the one whom we love, and it becomes so arduous to understand when love happens by chance. It feels so good to talk about a school love story, a story without a relation where the two strangers, even when they were well known to each other, continued to be a stranger loved each other but believed in their Destiny. Shaurya, a nerd boy who just opposed his name's meaning, lacked the courage and courage to speak his heart. Time is his deadliest fear. Abhilasha, a lovely girl who was synonymous with the meaning of her name, was loved by all. Happiness is her shadow. Both of them are busy accepting whatever is going on in their life, and their Destiny is still unjustified, which is desperate with many surprises. Waiting for years, the story is all about the unexpected that happened in their life. And finally, one question strikes corner to corner in their heart and mind: WHAT MATTERS.
