## **Love Life:**

**Jesus Christ for Today's World** Jürgen Moltmann, Margaret Kohl, 1995-08-21 Jürgen Moltmann formulates necessary questions about the significance of Jesus the Christ for persons today. He offers a compelling portrait of the earthly Jesus as the divine brother in our distress and suffering and points to the risen Christ as the warrant for the future in which God will restore everything and gather everything into his kingdom. Urging that acknowledgment of Christ and discipleship are two sides of the same coin. Moltmann contends that the question of Jesus Christ for today is not just an intellectual one. Moltmann takes fresh approaches to a number of crucial topics: Jesus and the kingdom of God, the passion of Christ and the pain of God, Jesus as brother of the tortured and the resurrection of Christ as hope for the world, the cosmic Christ Jesus in Jewish Christian dialogue, the future of God and others.

## **Well-Being of Youth and Emerging Adults across Cultures**

Radosveta Dimitrova, 2018-01-02 The current volume presents new empirical data on well-being of youth and emerging adults from a global international perspective. Its outstanding features are the focus on vast geographical regions e.g. Europe, Asia, Africa, North and South America and on strengths and resources for optimal well-being. The international and multidisciplinary contributions address the complexities of young people's life in a variety of cultural settings to explore how key developmental processes such as identity, religiosity and optimism, social networks and social interaction in families and society at large promote optimal and successful adaptation. The volume draws on core theoretical models of human development to highlight the applicability of these frameworks to culturally diverse youth and emerging adults as well as universalities and cultural specifics in optimal outcomes. With its innovative and cutting edge approaches to cultural theoretical and methodological issues, the book offers up-to-date evidence and insights for researchers, practitioners and policy makers in the fields of cross-cultural psychology, developmental science, human development, sociology and social work.

At the same time it provides a limited review of the international Chinese speaking blending conference held in Anaheim, California on February 14-16, 2025. The general subject of the conference was Chapters 5 through 8 of Romans—the Kernel of the Bible. **The Natural Law in the Spiritual World** Henry Drummond, 2019-06-03 In *Natural Law in the Spiritual World*, Henry Drummond deals with those questions by exploring the relation of religion and spirituality with the physical world. He argues that the disconnect between the spiritual and the physical was entirely illusory and that faith was by no means in conflict with science.
