**The Conservator** ,1908 *Letters of Unconditional Love* Bunny Moazed,2016-09-16 When spirit s original state of direct communication is reached neither the body nor the miracle serves any purpose T 1 V 1 2 Ovid's Terence Iris Brecke,2023-11-20 This book investigates the complex reception of Terence in Ovid and a number of allusions to the Terentian comedies in the love elegies and the exilic elegiac epistle Tristia 2 The genres of Latin love elegy and New Comedy are often seen as closely connected in research and one leading view is that Latin love elegy to a large degree springs out of the comic genre However though both genres are strongly rooted in social practise and presents interpersonal relationships in a non mythological everyday setting there are also major differences between them Marriage for instance is the conventional goal for the young lover withing the comic genre whereas the elegiac lover should avoid it Taking into account both the similarities and the crucial differences between the comic genre and Latin love elegy and key elegiac topoi such as seruitium amoris and militia amoris this book demonstrates an intricate connection between Ovid and Terence and a complex nexus of allusions that goes straight to the core of Ovid s elegiac authorship Winner of the Trends in Classics Book Prize

2023 *The Erotic Screen* Thomas Wolman,2020-02-29 The Erotic Screen takes as its starting point that Hollywood movies were steeped in eroticism from the beginning but censorship forced filmmakers to devise hidden sexual subtexts to preserve a film s subliminal eroticism In this way Hollywood films seed our collective psyches with unconscious subtexts Science fiction films are particularly effective using horror to induce sexual excitement as studied in Part I The nature of desire in a trio of science fiction thrillers Another device was to display unrestricted consumption of alcohol and tobacco and gratuitous spending Today this is a clich of mainstream cinema but some filmmakers expose the dark underbelly The five films scrutinized in Part II Portraits of addiction in Hollywood melodrama make explicit the connections between greed addictions and sexuality Finally in Part III Perverse desire in mainstream cinema the nuanced position toward the psychosexual obsessions on view in the films is investigated by posing the provocative question of whether S M practice can work as a cure for psychic suffering by raising the alarm over sexuality run amok in a suburban community and by offering a devastating critique of voyeurism s fatal attraction to viewers The Erotic Screen is an investigation of the nature of human sexuality through the medium of film It stirs up discussion and debate and helps these movies live on in our minds
