Love Is The Killer App:

Love Is the Killer App Tim Sanders, Gene Stone, 2002-01-08 Are you wondering what the next killer app will be Do you want to know how you can maintain and add to your value during these rapidly changing times Are you wondering how the word love can even be used in the context of business Instead of wondering read this book and find out how to become a lovecat a nice smart person who succeeds in business and in life How do you become a lovecat By sharing your intangibles By that I mean Your knowledge everything that comes from all the books that I ll encourage you to devour Your network the collection of friends and contacts you now have which I ll teach you how to grow and nurture Your compassion that human warmth you already possess in these pages I ll convince you that you can show it freely at the office What happens when you do all this You become a rich source of information to all around you You are seen as a person with valuable insight You are perceived as generous to a fault producing surprise and delight You double your business intelligence in one year You triple your network of personal relationships in two years You quadruple the number of colleagues in your life who love you like family In short you become one of those amazing outstanding people to whom everyone turns who leads rather than follows who never runs out of ideas contacts or friendship Here s the real scoop Nice guys don t finish last They rule **Love Is the Killer App** Tim Sanders, 2003-07-22 Are you wondering what the next killer app will be Do you want to know how you can maintain and add to your value during these rapidly changing times Are you wondering how the word love can even be used in the context of business Instead of wondering read this book and find out how to become a lovecat a nice smart person who succeeds in business and in life How do you become a lovecat By sharing your intangibles By that I mean Your knowledge everything that comes from all the books that I ll encourage you to devour Your network the collection of friends and contacts you now have which I ll teach you how to grow and nurture Your compassion that human warmth you already possess in these pages I ll convince you that you can show it freely at the office What happens when you do all this You become a rich source of information to all around you You are seen as a person with valuable insight You are perceived as generous to a fault producing surprise and delight You double your business intelligence in one year You triple your network of personal relationships in two years You quadruple the number of colleagues in your life who love you like family In short you become one of those amazing outstanding people to whom everyone turns who leads rather than follows who never runs out of ideas contacts or friendship Here s the real scoop Nice guys don t finish last They rule *Love Is the Killer* Tim Sanders, 2003-11 Yahoo director Tim Sanders shows that the only way to succeed in business in the 21st century is through love In this motivational book he presents a three step programme that anyone can follow for optimum success and happiness in the workplace **Shakespeare Would Cry** Jack Spurr, 2013-03 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of Love Is the Killer App How to Win Business and Influence Friends Don t say we didn t warn you these reviews are known to shock with their

unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don t buy this book if 1 You don t have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You ve heard it all

How to Impact and Influence Others James Merritt,2011-02-01 A person s character who he is determines the impact he has on others James Merritt senior pastor of Cross Pointe Church and host of the television program Touching Lives unlocks nine key character qualities that if consistently exercised and seen by others will influence them to reach their full potential Readers of this book will be motivated to leave a lasting impact in a number of ways such as making sure someone sees hears or feels love from them each day letting God s joy shine through their life being kind to someone every day being faithful and dependable treating others as more important No one can do anything about his heritage but he can do something about his legacy Beginning today he can become the kind of person who makes a life changing difference for others perhaps even an eternal difference How to Impact and Influence Others shows the way to a life of surpassing influence

Love in the Time of Self-Publishing Christine M. Larson,2025-09-16 Lessons in creative labor solidarity and inclusion under precarious economic conditions As writers musicians online content creators and other independent workers fight for better labor terms romance authors offer a powerful example and a cautionary tale about self organization and mutual aid in the digital economy In Love in the Time of Self Publishing Christine Larson traces the forty year history of Romancelandia a sprawling network of romance authors readers editors and others who formed a unique community based on openness and collective support Empowered by solidarity American romance writers once disparaged literary outcasts became digital publishing s most innovative and successful authors Meanwhile a new surge of social media activism called attention to Romancelandia s historic exclusion of romance authors of color and LGBTQ writers forcing a long overdue cultural reckoning Drawing on the largest known survey of any literary genre as well as interviews and archival research Larson shows how romance writers became the only authors in America to make money from the rise of ebooks increasing their median income by 73 percent while other authors plunged by 40 percent The success of romance writers Larson argues demonstrates the power of alternative forms of organizing influenced by gendered working patterns It also shows how networks of relationships can amplify or mute certain voices Romancelandia s experience Larson says offers crucial lessons about solidarity for creators and other isolated workers in an increasingly risky employment world Romancelandia s rise and near meltdown shows that gaining fair treatment from platforms depends on creator solidarity but creator solidarity in turn depends on fair treatment of all members

Project Management Basics Melanie McBride,2016-08-12 Learn step by step instructions for managing any project in a clean sequence of five classic phases initiating planning executing releasing and closing This book sets out clearly and engagingly which tasks need to be done and when how and why they need to be done Each chapter on one of the five phases walks you through all the steps in that phase s workflow which are laid out in a checklist attached to the chapter The checklists are graphically supplemented by flow

charts and swim lane diagrams The master checklist serves as a map and tool for project managers to use in the real world to run projects and keep them on track Senior project manager and PM mentor Melanie McBride understands the predicament of beginning and junior project managers You're at the edge of a tornado bombarded by overly excited people offering you a Mission Impossible Everywhere you look there are cool shiny things swirling around your head the earnest coworker telling you to go agile the software package promising a turnkey collaboration solution the PMO with an arm long list of required processes So how do you avoid getting whacked in the head by that airborne Mac truck of a customer commit Oh and what exactly do you need to do to get those flying monkeys to shut up Project Management Basics slips the spinning project manager into the eye of the storm where things are quiet and it's easy to figure out what to do next using the author's detailed checklists and hard headed advice She shows that project management doesn't have to be a chaotic hot mess leaving you with an egg beater hairdo With McBride's book and checklists in hand even first time project managers can pull off controlled flying monkey free projects What You Will Learn See the essential duties of a project manager Master the project management life cycle in five phases Discover the what when how and why of PM tasks presented in detailed steps Leverage checklists for optimum efficiency and throughput Adapt workflow controls to low PM organizations Enhance PM with vogue methodologies without obscuring the basics Who This Book Is For Beginning and junior project managers seeking a concise authoritative guide to the basics of project management together with checklists flow charts and swim lane diagrams for immediate use in real world projects *Across the Board*, 2002 *One+*, 2009 *Business 2.0*, 2002 **La**
