

My Beloved Mom,

From your womb to this wide world,  
every phase of my life has been cradled  
by your love. Your love is the poetry  
that dances in my soul, the melody that  
lightens my heart.

I reminisce about the lullabies you sang  
to me, each note etching a memory of  
love and safety into my heart. Those  
lullabies have been my serenade  
through life's darkest nights.

My love for you, dear best mother, is as  
soft as those lullabies, as soothing as  
your voice, as tender as your touch, and  
as eternal as your love.

**Love Letters from Mother Earth** Anneloes Smitsman, 2017-10-25 Love Letters from Mother Earth was written by Anneloes Smitsman to take us into the heart of our humanity to discover our story from a new perspective Through these Letters people receive the wisdom and support that our planet as a caring and conscious Mother shares for our collective flourishing These thirteen Letters have been carefully composed via a process of inspired writing and listening deeply to Mother Earth's message for us Together these thirteen Letters form a sacred design that is like a living map for the actualization of our collective wisdom potentials With this map we become more conscious of the designs of our inner and outer worlds gaining a new perspective and a more integrated understanding By reviewing the many chapters of our collective story through the eyes of our planetary Mother and our Sun we discover how we hold the keys for our individual and collective actualization within the very fabric of our beings Becoming more aware of our wisdom potentials within the living context of our interrelatedness empowers us to bridge and integrate what became divided and polarized long ago Returning to our wholeness we then discover the keys to our inner and outer healing and start to see the root causes of the thousands of years of divisions that created so much suffering Mother Earth reminds us in these Letters that a new cycle of time is being born through our integration based on Love and wholeness Through this new cycle we create together the next chapter of Our Story

Campbell,1985-04 **Love Letter to the Earth** Thich Nhat Hanh,2013-06-17 The world renowned Zen monk argues for a more mindful spiritual approach to environmental protection and activism one that recognizes people and planet as one and the same While many experts point to the enormous complexity in addressing issues ranging from the destruction of ecosystems to the loss of millions of species Thich Nhat Hanh identifies one key issue as having the potential to create a tipping point He believes that we need to move beyond the concept of the environment as it leads people to experience themselves and Earth as two separate entities and to see the planet only in terms of what it can do for them Thich Nhat Hanh points to the lack of meaning and connection in peoples lives as being the cause of our addiction to consumerism He deems it vital that we recognize and respond to the stress we are putting on the Earth if civilization is to survive Rejecting the conventional economic approach Nhat Hanh shows that mindfulness and a spiritual revolution are needed to protect nature and limit climate change *Love Letter to the Earth* is a hopeful book that gives us a path to follow by showing that change is possible only with the recognition that people and the planet are ultimately one and the same **The Love Letters of Ernst**
