Love in Utopia George Wallingford Noyes, Lawrence Foster, 2001 The free love Oneida Community founded in New York state during the turbulent decades before the Civil War practiced an extraordinary system of complex marriage as part of its sustained experiment in creating the kingdom of heaven on earth For more than thirty years two hundred adult members considered themselves heterosexually married to the entire community rather than to a single monogamous partner *Free Love in Utopia* provides the first in-depth account of how complex marriage was introduced among previously monogamous or single Oneida Community members Bringing together vivid firsthand writings by members of the community including personal correspondence memoranda on spiritual and material concerns and official pronouncements this volume portrays daily life in Oneida and the deep religious commitment that permeated every aspect of it It also presents a complex portrait of the community's founder John Humphrey Noyes who demanded not only complete religious loyalty from his followers but also minute control over their sexual lives It recounts the formidable legal suits faced by the community one of which almost forced it to disband in 1852 and the critical behind the scenes work of Noyes's second in command John L Miller Most important *Free Love in Utopia* describes in detail how Oneida's enlarged family was created and how its unorthodox practices affected its members Key selections from a large collection of primary documents detailing Oneida's early years were compiled by George Wallingford Noyes nephew of the founder The present volume astutely edited and introduced by noted communitarian scholar Lawrence Foster marks the first publication of G W Noyes's remarkable manuscript excerpted from the irreplaceable original documents that were deliberately burned after his death The volume also reproduces Oneida's First Annual Report which contains the sexual manifesto that underlay the community **Pastoral Letters of the United States Catholic Bishops** Catholic Church. American Culture Larry Naylor,1998-02-24 America like other modern nations is characterized by its diversity and can be seen as a complex and fragmented nation state Yet an American culture defined by those beliefs and behaviors that all Americans do share irrespective of their other cultural affiliations does exist This book presents an innovative approach to the issues and aspects in the study of America s unique culture The real diversity of America is lost in the practice of categorizing people into social racial or ethnic groups and then attributing culture to them While not an exhaustive treatment of the culture this volume serves as a point of departure for discussions of American culture in a variety of courses both within and outside the discipline of anthropology Each chapter is accompanied by suggested readings to enable the student to pursue a more in depth study of any individual topic *Truth for Human Existence and Happiness* Paul Sites,Danny Sites,2010-07-23 This book is a response to postmodernists who take the position that there is no foundation for truth there are only stories We posit two types of truth truth about existence created by scientists which serves as a foundation of truth for existence Truth about existence describes human nature a major component being the human sense of self Following George Herbert Mead the self is not an entity it is process It is not substantiative it is functional There are two phases to the self the I phase and the Me phase The I phase has its roots in biology so when the needs of the self are not being gratified individuals suffer When individuals suffer life is without meaning individuals despair It is human needs and their inherent tie to suffering that points the way to truth for human existence and happiness Because other people value what they need needs and their corresponding values serve as the foundation for truth about existence upon which truth for human existence is constructed **The Crusader** ,1922 Lamp ... ,1898 Book Review Digest ,1928 ...The Poetical Works of William Wordsworth with Introductions and Notes William Wordsworth,1920 **The Poetical Works of Wordsworth** William
