Sir John Norreys and

the Elizabethan Military World John S. Nolan, 1997 Sir John Norreys and the Elizabethan Military World is the first biography of Elizabeth I's most trusted soldier. It chronicles Norreys's life between 1570 and 1600, examining how Norreys built on his family's personal friendship with Elizabeth to navigate the treacherous waters of the court and rise to prominence as a warrior and diplomat. The book incorporates English, Irish, Belgian, Dutch, Spanish, and French archival material, including a number of previously unexploited English sources such as Norreys's personal papers in the Bodleian Library. The life of Sir John Norreys is a tale of ambition, rivalry, corruption, violence, and achievement, typical of the nobility of the Elizabethan age, and provides a marvellous grand tour of western Europe in a time of budding imperialism, religious hatred, international intrigue, and military innovation.

The Elizabethan Courtier Poets Steven W. May, 1991 Although the term courtier poet is widely used in discussions of Elizabethan literature, it has never been carefully defined. In this study, Steven W. May isolates the elite social environment of the court by defining the words court and courtier as they were understood by Tudor aristocrats. He examines the types of poems that these poets wrote, the occasions for which they wrote, and the nature of the poems themselves.
