Turner, 2021-07-28 Liturgical dance is a way to present reflect instruct learn study and share religious beliefs with one's self within one's worship community and with one's God Such a belief is confirmed and witnessed within a variety of religious settings throughout the world from the beginning of time to this present age However there is a vacuum of resources that connect liturgical dance within the Christian context as a tool for religious learning within the field of religious education With the continual rise of liturgical dance as an artistic form of expression this book proposes that liturgical dance offers unique attributes conducive to the teaching and learning of faith and to faith formation Kathleen S. Turner shows how liturgical dance is religious education in two very important ways first by addressing the power and potential liturgical dance has in nourishing the faith life of Christian congregants through means that are both educative and reflective and second by giving examples of how liturgical dance can be implemented as a religious education tool within the teaching life of the church **Dance with Me Daddy** Claris Fraley, 2012-09-20 NOW AND THEN I've played in summer sunshine and I've been left out in the rain I've known moments of sweet ecstasy and I've
