Mouse That Roared:

The Mouse that Roared Leonard Wibberley, 1966 **The Mouse That Roared** Leonard Wibberley, 1997 A whimsical cross between Kubrick and Kafka *The Mouse That Roared* is a quirky classic of world literature a poignant tale of political morality and a hilarious ultimately triumphant portrait of international relations from the perspective of the little guy **The Mouse that Roared** Henry A. Giroux, 2001 Henry Giroux shows how Disney attempts to hide behind a cloak of innocence and entertainment while simultaneously exercising its influence as a major force on both global economics and cultural learning

The Mouse That Roared, By Leonard Wibberley Christopher Sergel, Leonard Wibberley, 1955 **The Mouse that Roared** Christopher Sergel, 1963 A pretty girl of 22 happens to be the present Duchess Gloriana sovereign of a microscopic country in the Alps founded centuries ago by a roving band of English bowmen Gloriana's unique solution to the near bankruptcy of her tiny domain is to declare war on the U S There's some method to her madness however for her study of recent history suggests that the surest way to wealth today is to lose a war with the United States for that country's odd reaction is to pour aid relief and rehabilitation on the vanquished When her declaration is considered a prank Gloriana decides to escalate Tully Bascomb presently in charge of the bowmen is to launch an attack so they can surrender and reap the rewards Serious minded Tully however upsets all calculations when he and his bowmen do the last thing expected they win You'll find comment in the comedy crescendo that follows including some pointed kind words for America This rare comedy uses the magic of the theatre to invite your audience to enjoy the delight of the impossible Publisher's description

The Mouse that Roared Leonard Wibberley, 1959 The Mouse that Roared; a Full-length Comedy Christopher Sergel, 1970 **Danger Mouse's The Grey Album** Charles Fairchild, 2014-09-25 This book marks the tenth anniversary of *The Grey Album* The online release and circulation of what Danger Mouse called his art project was an unexpected watershed in the turn of the century brawls over digital creative practice The album's suppression inspired widespread digital civil disobedience and brought a series of contests and conflicts over creative autonomy in the online world to mainstream awareness *The Grey Album* highlighted by its very form the profound changes wrought by the new technology and represented the struggle over the tectonic shifts in the production distribution and consumption of music But this is not why it matters *The Grey Album* matters because it is more than just a clever if legally ambiguous amalgam It is an important and compelling case study about the status of the album as a cultural form in an era when the album appears to be losing its coherence and power Perhaps most importantly *The Grey Album* matters because it changes how we think about the traditions of musical practice of which it is a part Danger Mouse created a broad inventive commentary on forms of musical creativity that have defined all kinds of music for centuries borrowing appropriation homage derivation allusion and quotation The struggle over this album wasn't just about who gets to use new technology and how The battle over *The Grey Album* struck at the heart of the very legitimacy of a long recognised and valued form of musical expression the
