Live to ride ride to live. For many motorcycle riders these words express life's guiding principle. Just take a look at the patch emblazoned on the jackets of legions of riders. Whether they're roaring down an empty highway on two wheels at an insane speed hopping on for a few mind boggling loops of motocross joining in the rolling thunder of a veritable outlaw motorcycle club or just cruising on a Harley on a Sunday afternoon motorcyclists of all stripes share a common love of the freedom that is riding. Wayne Johnson a lifelong motorcycle lover and acclaimed writer takes us around the globe and onto the terrain where the most extreme, thrilling forms of riding happen. Johnson shows where it all began more than a hundred years ago when the first motorcycle evolved from the bicycle and lands us on the track today with some of the world's highest paid athletes professional motorcycle road racers. From there we go inside radically different competitions like the vertigo inspiring Widowmaker Hillclimb and the fastest land racing on the planet at the Bonneville Salt Flats. Johnson also offers an inside look at the legendarily secretive culture of biker clubs with firsthand accounts of his own wild rides with an outlaw club. In every one of these venues you aren't just passing through as an observer you are on a bike racing across new and undiscovered country the horizon your only destination.
