Out West ,1907 Contains monthly column of the Sequoya League **Land of Sunshine** ,1907 Includes reports etc of the Southwest Society of the Archaeological Institutes of America *Myths and Legends of the Lipan Apache Indians* Morris Edward Opler,2018-12-12 Lipan Apache are Southern Athabaskan Apachean Native Americans whose traditional territory included present day Texas New Mexico Colorado and the northern Mexican states of Chihuahua Nuevo Leon Coahuila and Tamaulipas prior to the 17th century Present day Lipan live mostly throughout the U S Southwest in Texas New Mexico and the San Carlos Apache Indian Reservation in Arizona as well as with the Mescalero tribe on the Mescalero Reservation in New Mexico some currently live in urban and rural areas throughout North America Mexico United States and Canada The myths and tales of this volume are of particular significance perhaps because they have reference to a tribe about which there is almost no published ethnographic material The Lipan Apache were scattered and all but annihilated on the eve of the Southwestern reservation period The survivors found refuge with other groups and except for a brief notice by Gatschet they have been overlooked or neglected while investigations of numerically larger peoples have proceeded It is gratifying therefore to be able to present a fairly full collection of Lipan folklore and to be in a position to report that this collection does much to illuminate the relations of Southern Athabaskan speaking tribes and the movements of aboriginal populations in the American Southwest The myths and tales of this volume were recorded during the summer of 1935 Claremont Colleges
