conversation on friendship is quiet the one on friendship break ups is non existent This is despite research showing that only six friendships stand the test of time which means that the average person experiences the ending of twenty three friendships As someone who has gone through a dozen of them Michelle began to think she was a Bad Friend Have one too many friendship break ups and people start questioning what s wrong with you But what if you aren t the problem What if the problem is how we think about friendship break ups Introducing Bad Friend a ground breaking masterclass in friendship that makes space for every conversation you have never been allowed to have Bad Friend will make you question everything you ve been taught about friendships and removes the stigma from friendship break ups This is for you if you ve ever been hurt by a friend and most importantly reassures you that you re categorically not a bad friend It s time for a new narrative around platonic love I can think of no better person than Michelle to show us the way MEGAN JAYNE CRABBE Female friendships can be core of a healthy happy fulfilled life Their complexities are so often overlooked but not anymore Michelle Elman has perfectly summarised their complicated importance Bravo ANNA WHITEHOUSE The world would be a much better place if every woman read Bad Friend and learned to communicate as clearly and directly as Michelle teaches us to A game changer which made me feel a million times better about friendships that have gone wrong in the past while arming me with the tools I need for the future ELLIE MIDDLETON The guide to friendship breakups we all so desperately need We ve needed this book for years I m so happy it finally exists SOFIE HAGEN This book is a must read for anyone who s ever questioned a friendship felt the sting of outgrowing someone or wondered how to be a better friend themselves SHIVANI PAU This is a long overdue conversation about friendship the joys the break ups the frustrations and the tricky points of conflict that we all navigate over the course of time ABIGAIL MANN Michelle s writing is my emergency contact I always come away with pluck in my step and a plan of action LEENA NORMS Michelle s ability to share her wisdom with wit honesty and heart whilst tackling subjects often untouched is a testament to her generosity and fearless spirit With a wicked sense of humour confidence and an uncanny ability to connect with people at every level Michelle is truly one of a kind MICHELLE ZELLI Michelle is the queen of boundaries KATIE PIPER One of the 50 most influential women in the UK THE SUN
