Evans, 2018-12-11 Life is about change and one truth will change everything Embarking on a journey a teenage boy must venture into a whole new world of mysteries and danger facing threats from the past and future and coming across many challenges he never in his dreams would've imagined he must unravel dark secrets to uncover the answers he seeks Little does he know he'll be delving into his family's past and what happened years ago in the town before A coming of age four part series Ricky lived an ordinary life as a fifteen year old high school student but one day that soon changes when his parents mysteriously disappear leaving him to pick up the pieces of his fragile life He needs to know what really happened so he gathers a group of his friends to uncover the truth along the way they discover that more people have mysteriously vanished in exactly the same way They learn their lives aren't what they thought them to be What had really happened to them What is the secret that doesn't be shared They soon discover all is not as it appears in Ravens town Loyalties are tested bonds are broken and friendships are tried Can Ricky and his friends discover the truth before it is too late **Dogified** Toni

Johnstone, 2011-11 Mickey was very bright curious and above all else exceptionally brave He faced the world and his personal obstacles with outstanding courage humor and intelligence If Mickey could have spoken or tapped out sentences on a keyboard I am confident this is how he would have described his life Mickey is not your average poodle and he will tell you all about it Mickey is hounded by his need to look good Some call this vanity poodles call this reality From his sparkling teeth to his pristine hair this poodle is proud as a peacock nay proud as a poodle about his appearance Mickey knows games and food but he knows pain too Mickey has several bouts with illness but overcomes with the love of his owner Mom and bravery of his own Author Toni Johnstone gives Mickey a voice while capturing all the idiosyncrasies and peccadillos that come from a relationship between animal and owner Dogifying is what Mickey does he leaves his mark on every piece of furniture every type of shoe and every person in his life Dogified A Poodle's Memoir is just one story of one owner whose life was changed or dogified Mickey will no doubt train readers in the way of all things the way of the poodle *Transient* Emilia

Evans, 2019-01-15 The first step of the journey is now over and the time for truth is fast approaching Those who set out to

discover the secrets of the mysterious occurrences in Ravens Town have been deceived and mislead Ricky and his friends are now faced with life changing events and dangerous circumstances which will cause them never to be the same again When the past becomes the present and the future is rapidly changing because of actions that have been made the friends set out on an urgent quest to attempt to gain an allegiance with an unlikely ally Their journey takes them into the past where a truth must be told to change the course of history A war is inevitable What will the final outcome be as Ricky and his friends join with others in a race for their own survival and for the survival of their world
