My Very First Of Homes:

My Very First Book of Homes Eric Carle, 1986 Wordless illustrations on split pages that can be mixed and matched demonstrate how plants animals and people begin and grow On board pages Kathy C. Watson, 2006-10-01 For many many years you may have heard that God doesn't still perform miracles A Mother In Mourning will restore your faith if you are among the many who don't believe Kathy will tell you too of the many miracles God has given to her One of the miracles was giving birth to her sons Another came after the fatal accident of her oldest son when an angel was waiting for her in the most unusual place her favorite coffee house A Mother In Mourning is sure to be a best seller of its kind Kathy delivers a truly powerful love story involving herself her two sons and her God From the first day she gave birth to her sons she held them close to her To Aaron and Kendrick she was a one of a kind mother she was their mentor their right hand their best friend and their preparedness for this thing called life Most importantly she was Aaron's and is Kendrick's overseer in making sure that without a doubt their ultimate destination would be heaven A Mother In Mourning will take you on a journey filled with nothing but love joy and the pain of being a mother This heart felt true story will have you laughing out loud and at the same time bring joyful tears to your eyes It's clear that Kathy understood from the very beginning what it took to be a good mother You will also read how God gave her a premonition that something tragic was going to happen five months before his death She didn't know what it was until a knock came on her door one early morning She opened the door only to see two police officers standing there and one of them was holding her son's driver's license Through all of their years together with his following closely in her footsteps she never could have predicted that Aaron would have had such a short life Kathy and her sons were so close it seemed to her that the sun would shine on them forever One Wednesday evening just as the sun was going down God called Aaron's name Even though she has always been a natural teacher of having faith in God the devastation of losing her son has caused her faith to increase even more You will read how God got her through the lowest stage of her life when no one else was there for her A Mother In Mourning is not just for someone who has lost a loved one It is a book that unmistakably teaches us to have faith in God and to realize that life is a journey Yes it is a journey that we all must travel and that will one day make no mistake about it come to an end *Finding Home* Denise Nicholas, 2025-11-04 A poignant and revelatory memoir from acclaimed novelist and actor Denise Nicholas that offers an intimate exploration of her multifaceted life delving deeply into themes of artistic self invention race and grief Growing up as a middle class Black girl in 1950s Detroit Denise Nicholas experienced the vibrant culture and harsh realities of a racially segregated city which profoundly influenced her perspective on identity In her early twenties she dropped out of the University of Michigan to tour the Deep South with the Free Southern Theater at the height of the civil rights movement a path that ultimately ignited her lifelong commitment to social justice and activism A few short years later she would launch from stage work to meteoric national fame as a series lead on the groundbreaking ABC TV show *Room 222* a role that earned her three consecutive

Golden Globe nominations With eloquence vulnerability and resolve Nicholas mines her six decade journey through TV and film stardom and the complexities of her three marriages reflecting on the personal professional and societal pressures that influenced both her acting work and her relationships Nicholas navigates the intersections of love and identity exploring how her experiences in Hollywood shaped her understanding of success intimacy and commitment Her narrative is rich with anecdotes from her career in Hollywood as an actor and later a successful writer first for television and eventually as an acclaimed novelist providing a backdrop to the struggles and achievements that marked her path She candidly discusses the challenges she faced as a trailblazing actress of color shedding light on the systemic barriers and biases within the entertainment industry But at the deepest level this memoir is a heartfelt exploration of grief as Nicholas recounts the profound losses including the unsolved targeted slaying of her sister the telling of which occupies the center of her story that have shaped her Her reflections on mourning and resilience paint a vivid moving portrait of how to journey through healing to new dimensions of self discovery Through her powerful stylish and profoundly evocative storytelling Nicholas not only chronicles her own remarkable life but also provides a resonant narrative of what it means to live work and succeed as a Black woman in America over the past half century
