Mysteries Of The Triangle:

The Mysteries of the Triangle Leonard Bosman, 2014-03-30 This Is A New Release Of The Original 1920 Edition [Into the Bermuda Triangle](#) Gian Quasar, 2005-02-28 Still unsolved still baffling still claiming new victims Here are the untold stories A pilot reports a strange haze enveloping his plane then disappears eleven hours after fuel starvation as if calling from a void he is heard 600 miles away He requests permission to land then vanishes forever A freighter steaming over placid seas disappears without a trace A pleasure yacht ghosts past without a soul on board A pilot calls for help because a weird object is harassing his plane A jet collides with an unknown and is never found Into the Bermuda Triangle is the first comprehensive examination of these baffling disappearances in more than a generation Drawing on official reports from the NTSB and other investigative agencies as well as interviews with scientists theorists and survivors leading authority Gian Quasar not only sets the record straight on previously examined cases he also offers a bulging file of new cases the collective results of his twelve year investigation In meticulous detail this unflinching account Documents confirmed disappearances of airplanes and ships Gathers new testimony and reexamines old interviews from eyewitnesses and survivors Explores possible explanations ranging from zero point energy to magnetic vortices Challenges our assumptions with the sheer weight of accumulated evidence In this age of technological and scientific discovery there are still mysteries that transcend understanding The Bermuda Triangle is one The best book I ve ever read on this important subject Andrew Griffin The Town Talk *The Bermuda Triangle, and Other Mysteries of Nature* Edward F. Dolan, 1981 Discusses the Bermuda Triangle UFO s the abominable snowman or Yeti and Bigfoot or Sasquatch **The Strange and Unexplained Mysteries of the World - The Bermuda Triangle** Conrad Bauer, 2018-02-23 The Bermuda Triangle is commonly regarded as one of the biggest mysteries of the present time but what is it exactly The mystery itself stems from several aircraft and ships that mysteriously disappeared inside the Triangle under strange circumstances The nature of the phenomenon lends itself to a myriad of theories hypotheses and explanations These range from the religious and superstitious to the scientific and mundane Unfortunately records of Bermuda Triangle events are often rife with false information deceptive reports and spun tales Studies of the area are often performed with a bias towards one particular theory leading to the unwarranted dismissal of hard facts or the acceptance of unreliable data that is then forcefully declared as truth You might be wondering now How did the Triangle come to be Well it s hard to tell without falling into someone else s trap Nonetheless let s try to unravel the origin Inside you ll read about All of the history and facts surrounding the Bermuda Triangle Paranormal and scientific theories about the Bermuda triangle A personal analysis of the Bermuda Triangle Similar Phenomena in the world Scroll back up and order your copy today **Mysteries of the Bermuda Triangle** Kathryn Walker, 2009 Why do aircraft and ships seem to disappear in the Bermuda Triangle Are the legends make believe or is there something sinister waiting in the waters of the Bermuda Triangle [Mystery of the Bermuda Triangle Explained for Kids](#) Jim Sapiro, 2021-09-02 The ocean hosts

countless mysteries With unimaginable depths undiscovered territories and unknown creatures it generates both curiosity and fear from humans The same fear can fuel a sea phenomenon that resulted in the disappearance of ships and aircraft into something more mysterious The Bermuda Triangle is located in the western part of the North Atlantic Ocean where many air and sea vessels are said to have disappeared under certain circumstances that some people treat as part of a paranormal mystery The Triangle is not exactly found on any official map as the name was coined from a 20th century literary piece There are different versions for the Triangle s three points but the most widely used are Florida Bermuda and Puerto Rico Over the years the Bermuda Triangle gained a notorious reputation for being the Devil s Triangle capable of making the biggest ships disappear without a trace But what is the reason for these disappearances Where did those vessels go What happened to them Until now many questions remained unanswered featured event gives a snapshot of that piece of history to show young readers the nation s past which has been instrumental in molding the country to what it is now Features include Perfect for readers ages 6 12 years old Non fiction chapter books perfect for the family Easy to read stories any young reader can enjoy Brings history alive for young readers to appreciate and remember Each chapter contains a crucial piece that shows what the US has been through as a nation In reading each one young readers will have a greater understanding of the rich history they are a part of *The Unsolved Mystery of the Bermuda Triangle* Aaron Rudolph,2013-01-07 Presents the legend of the Bermuda Triangle including current theories and famous encounters Provided by publisher *The BERMUDA TRIANGLE* Anna Revell,2017-08-15 THE BERMUDA TRIANGLE The Strange Unexplained Mysteries of the DeepThe Bermuda Triangle is a loosely defined area of the western part of the North Atlantic Ocean where numerous aircraft and ships have reported strange occurrences with some completely vanishing without trace While some people dismiss the idea that there is something strange happening in the area it is after all one of the busiest shipping lanes in the world with aircraft regularly flying over it others remain convinced that a murky secret lurks in the waters of the Bermuda Triangle As early as the 15th century people were reporting strange activity in the western part of the North Atlantic Ocean In 1492 Christopher Columbus experienced odd lights and strange compass readings Despite this and many other incidents and disappearances in the area over the next few centuries it wasn t until the latter half of the twentieth century that the idea of the Bermuda Triangle was firmly established The writer Vincent Gaddis was one of the first people to define the boundaries of the Bermuda Triangle In a 1964 edition of *Argosy* a pulp magazine he positioned it s three points as being in Miami on the Florida peninsula San Juan in Puerto Rico and the island of Bermuda in the mid Atlantic This is the true story of the weird and unexplained events happening within the parameters of the so called Bermuda Triangle Many have their theories but what is really going on in this forgotten corner of the Atlantic *The Mysteries of the Bermuda Triangle* Jeff Belanger,2010 Supernatural investigator Jeff Belanger provides information about the Bermuda Triangle discussing how many ships have been lost in the area why it is such a mystery and other related topics **Lost in the Bermuda Triangle and Other**
