Moore,1981      **The Mysterious Marvelous Snowflake and Other Object Lessons for Children** Harvey Daniel Moore,Patsie S. Moore,1981      Secrets and Snowflakes: A Cozy Fantasy Mystery Novel S. Usher Evans,2023-11-28 The Witzel Solstice Party is the highlight of an otherwise quiet winter season in Pigsend But when Vellora and Ida Witzel start receiving mysterious threatening letters the party and their own safety may be in jeopardy Across the street Bev s got an inn full of suspects and a freak winter storm to keep them all in one place They all have their secrets and it s a race against time and melting snow to figure out who s blackmailing the butchers and which secret they re threatening to expose The third book in the Weary Dragon Inn series is a cozy follow up to Fiends and Festivals      *Enchanted Snowflakes* Amber Fuentes,2013-11 In just a few short weeks it will be Christmas Every year Chloe and her mommy and daddy go to a special gift store to do some shopping It is an important tradition The store is the place they go to pick out their yearly Christmas ornament and it makes you feel like you are in a Christmas story yourself This is no ordinary shopping trip Back at home something magical happens to a box of Christmas ornaments when the full bright December moon mixes with a magical snowfall The ornaments come to life and start talking to each other One of the ornaments learns a valuable lesson about bullying and all of them learn about being respectful to each other With colorful illustrations *Enchanted Snowflakes* narrates a Christmas story in which everyone learns about the gift of friendship and that everyone is important everyone matters      **Publishers' Trade List Annual, 1991** Bowker Editorial Staff,1991-09      **Reflections of Life** Johnny Ishmel Henry,2012-08-03 This book is about expressing the experiences of life from the heart and soul It will reveal within its readers the inner spiritual treasures of life through childhood memories love adventures and heart aches but also uplift the readers as they journey through the pages of this lyrical masterpiece May the readers find solace in their lives as they discover the true nature of their inner desires and engross themselves in the realm of poetic bliss Allow the poems to help release the shackles that bind your heart and soul and allow the universal flow of love to connect you to a spiritual realm of infinite joy and peace This book is about finding a happy medium within your lives as you traverse the maze of life With two different writing styles the authors of this book hope to give you two different but complementary viewpoints on experiences that have shaped their view of life their view of love and their view of poetry We hope that reading this collection of poems will lead you to a more fulfilling and joyous life adding excitement and adventure as well as discovery and enrichment of character      **National Union Catalog, 1981** ,1982      National Union Catalog , Includes entries for maps and atlases *The Mystery of Life What'S It All About?* David E. Peebles,2018-03-15 Have you ever seriously considered the most difficult and puzzling questions presented to our minds during this mortal sojourn through an often difficult and challenging existence Who am I Where did I come from Why am I here Where am I going And perhaps the most important question of all

What is my purpose for living In this ultra modern digital world of today many people have become so preoccupied with the daily pursuits of life and the addictive overuse of time consuming technology that many of them rarely pause to seriously consider what life is actually all about In writing The Mystery of Life it has been my hope and my goal to personally challenge each reader to consider many relevant facts and to follow a line of evidence pointing toward a worldview that is often overlooked and too easily marginalized We live in an aggressive technology driven world where the wild pursuit of power prestige possession and pleasure has become the driving influence ruling over many of our lives What does your worldview look like Is there enough evidence to support it beyond reasonable doubt If not then I invite you to consider a vast body of mounting evidence that could lead toward a more accurate discernment of an often confusing existence The view of life that we have each come to know will strongly influence everything we do say and become in this world Based on a remarkable consensus of evidence perhaps we should consider a worldview understanding that will ultimately avail our hearts and minds of the personal fulfillment and satisfaction we have always longed for and often dreamed of We owe it to ourselves to seriously consider where the evidence is leading us Isnt it about time to discover the answers to our most persistent and pressing questions The Mystery of Life is presented as a literary expose addressing the questions of origin meaning morality and destiny
