Gretchen A.L. Schork, OCL:AL, 2019-07-04 For a long time we have been dependent on other cultures to find alphabetic magic for our own lives In this book a system is presented that will accommodate every magical technique used with the other alphabets but using the familiar American alphabet that we all know and use daily This is a complete handbook for the system All the parts are described and illustrated for those who wish to explore this new way of bringing magic into the magical practice While a lot remains to be published in the specifics that are mentioned this book will give you all the tools to work with the system If you prefer to apply your own magical alphabet to the system you can Correspondences are provided in the Appendix But here is a way to work with a language you know with letters you are already acquainted with in a variety of ways that are new **A**

**Complete Scientific Grammar of the English Language** William Colegrove, 1879 **God's Ambiance** William John Meegan, 2016-10-03 The MATRIX OF WISDOM is all about God's Ambiance residing in the soul of the individual This volume is about unraveling the deep mysteries of God esoterically codified into the world's sacred scriptures literature artworks monuments and architecture in all times and climes via the ESOTERIC SCIENCE i.e. the harmonious integration of the Seven Liberal Arts Quadrivium Four Mathematical Sciences and the Trivium Three Grammatical Arts that are the foundations of the ancient Mystery Schools The MATRIX OF WISDOM is a 10 x 10 matrix that is the original source material that wrote the sacred scriptures in all religious cultures around the world From the mystical depths of this 10 x 10 matrix China created the I Ching and the Tao te Ching Buddhism created their Stupas Hinduism and Christianity builds their temples cathedrals and churches numerous cultures around the world built their pyramids based upon its schematics and the Native American Indians knew of it Astrology and the Game of Chess were developed from it and Pythagoras developed his mathematical theorems from it and Freemasonry is founded upon it and the city of Washington DC is built on its esoteric design and this latter is provided for in the United States Constitution Article 1 Section 8 however this matrix is never ever discussed explicitly to the general public Throughout this volume there will be a continuous tsunami of demonstrable evidence directly and indirectly challenging the status quo of academia and the orthodoxy of all religions around the world The WORD OF GOD will be discussed mainly from the perspective of the Judaeo Christian Scriptures the secret teachings of the Roman Catholic Church's literature artwork monuments and architecture and Freemasonry symbolism designed into the landscape of Washington DC The MATRIX OF WISDOM spiritual waters of creation i.e. sum total or all knowledge is inherent in the psyche of every human being The MATRIX OF WISDOM is a commentary on the MONAD which is the soul's raison d'être i.e. God Man

Christ Tao Krishna Buddha Horus etc When the soul comes into the world it splits into a two part psyche ego consciousness and the unconscious mind and this knowledge is esoterically codified into the mythoi of the Judaeo Christian Scriptures thus the sacred scriptures of the world are all about explaining to the worthy initiate the dynamics of the soul and its psyche The sacred scriptures are written first and foremost for the Born Again initiate though the average member of the laity has direct access to both its exoteric writings REVEALED and its secret esoteric teachings COVERED The inexplicable WORD OF GOD HIDDEN however cannot be explained to another in the vernacular The initiate can know of the ESOTERIC SCIENCE however that does not avail him or her of the true understanding of the WORD OF GOD Only God can communicate that unfathomable and inexplicable knowledge to the individual The ESOTERIC SCIENCE can somewhat prepare the worthy initiate for the spiritual Initiatic Visionary Experience which is gifted only to those that are worthy and truly DESIRE to know the WORD OF GOD The sacred scriptures around the world are written to explain the spiritual Initiatic Visionary Experience furthermore the sacred scriptures in their indigenous languages are the most scientific instruments on the face of the Earth though modernity will most likely dispute that fact ad nauseam
