**The Mystic World** Oscar W. Humphrey,2015-06-02 Excerpt from The Mystic World A Literal Narrative of Strange Mystical Occurrences Rare Materilazations Voice Seances Clairvoyance Pilate saith unto him What is truth In the year 1882 my father made a journey to Washington D C on certain business He had relatives there who claimed to know that the spirits of departed mortals returned to communicate with the dwellers of the earth When he returned he had with him a Spiritualist publication He was a materialist The shock of this discovery at an early period of life produced a strong impression on my mind Battle after battle in the mental world has been fought Every view from every point possible has been taken to prove the materialistic theory incorrect Therefore my interest was at once aroused by the publication which he brought with him In 1888 I made a visit to Washington This was the beginning of my initiation into Spiritualism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

ULYSSE,2021 *The Mystical Glory* Angeline Welk,2015-04-21 *Carrington's Mystical Writings* Hereward Carrington,2013-10 This is a new release of the original 1924 edition **Inclinations** David B. Harrington,2016-12-19 *Inclinations* *Mystical Visions* takes you on a journey through magical lands and heavenly realms filled with wonder and adventure Replete with angels and mythical creatures *Inclinations* *Mystical Visions* is a strange and allegorical mixture of poetry and prose Based on a series of mystical and esoteric visions this collection of short stories and poems covers a wide variety of themes including faith judgment mysticism and spiritual warfare With a bit of prophecy clouded in the metaphor of sacred language one must decide where to interpret the text literally and where to interpret it figuratively **The Complete Cloud of Unknowing** ,2014-03-01 Central to the Christian mystical tradition is the inspired work of the anonymous author of *The Cloud of Unknowing* Rich with insights and perceptions of the obscurity and unknowability of God this work reveals God as being on an entirely different plane of existence from human beings so different that time bound human language is inadequate to describe God exhaustively or accurately Intellect and emotion both fail in seeking God who can only be encountered by rejecting all common earthly means in a cloud of forgetting and the discovery of Godself in the dark cloud of unknowing that can be pierced only with a lance of longing love Now we finally have a translation that captures all of this beauty and complexity without minimizing the nuances all of which are explained with extensive introductions and accompanying notes If I could keep with me only two books and a journal this book would be one of the books As far as I'm concerned it's the most important book and among the most influential on Christian prayer in the last two millennia I'm delighted to endorse this fine new translation and commentary The Rev Dr Chris Neufeld Erdman University Presbyterian Church Fresno CA author of *Beyond Chaos* *Living the Christian Family in a World Like Ours* and *Returning to the Center* *Living Prayer in a Distracting World* *The Complete Cloud of Unknowing* includes two classics of medieval Christian contemplative spirituality essential reading for anyone seeking to deepen their relationship with God through the practice of silent prayer They are rich texts full of nuanced wisdom that often gets lost in modern translations Father John Julian has captured the beauty humor and literary elegance of the original versions but also has supplemented his translation with detailed notes that convey the subtle spiritual insight that makes these works required reading I'm excited about this book it's a title I will recommend both to beginners and to longstanding students of *The Cloud* Carl McColman author of *Answering the Contemplative Call* and *The Lion the Mouse and the Dawn Treader* **Dark Night of the Soul** ,2005-03-15 This new edition of the Image classic with more than 100 000 copies sold brings E Allison Peers's magnificent translation of St John of the Cross's masterpiece *Dark Night of the Soul* to a new generation of readers and will renew the interest of those already familiar with its soaring poetry and timeless truths The sixteenth century Carmelite monk St John of the Cross stands alongside St Teresa of Avila as the West's best known and most beloved Christian mystic As Peers writes in the Introduction to his definitive translation of *Dark*

**Interior Castle** St. Teresa of Avila,2024-12-09 A TIMELESS CLASSIC OF SPIRITUAL LITERATURE Interior Castle written in the 16th century is a book that was inspired by a mystical vision that came upon the revered St Teresa of Avila one of the most gifted and beloved religious figures in history It has continued to inspire and guide readers for generations as it explores the journey of the soul towards a union with God St Teresa sees the soul as a magnificent castle with bright spacious rooms or mansions each of which leads deeper into the castle finally reaching the seat of the King who dwells in the seventh mansion As she describes each of the seven rooms she urges us forward to love and serve the Divine Majesty imparting her conviction that the progress of our soul toward God through prayer is worth more than all the treasures on earth Offering practical advice regarding the early struggles we will face and the temptations to turn back which beset beginners she warns us against giving all of our attention to the outer wall of the castle the body ignoring the beauty of the soul within This deeply personal and insightful text offers guidance and encouragement to those seeking to deepen their relationship with God Its vivid imagery and profound wisdom remains relevant and inspiring to readers of all ages and backgrounds Opening a window into the mysteries of the spiritual life it discusses the beauty and dignity of our souls and invites us to embark on our own journey of discovery and growth in order to find the path to a deeper and more meaningful connection with the divine

**The Sparkling Stone** John of Ruysbroeck,2020-01-19 The Sparkling Stone is a classic by the Flemish mystic John of Ruysbroeck     *The Spiritual Path* Miss Mystic Storm,2017-05-03 A collection of magical personal path stories from witches Wiccans pagans druids and so much more     **Living the Magical Life** Suzi Gablik,2002-01-01 In traditional cultures oracles guided individuals and even entire societies helping them to connect with the greater world and the meaning of life Yet in our modern world of efficiency and productivity this visionary awareness of the soul has been pushed into the background This is a compelling account of one woman s journey to reclaim the magical oracular and spiritual dimensions of life After building a personal altar to the Black Madonna art critic Suzi Gablik finds herself immersed in a world of oracles and synchronicities Adopting an attitude of openness trust and curiosity she experiments with the reality of divine intervention relying on oracular signs numinous clues guided inspiration and moments of meaningful coincidence as another

way of knowing and appreciating the world Confronting the challenges of a powerful experience that is filled with paradox and ambiguity she arrives at a very special place of being able to enjoy accept and trust the ultimate inscrutability of the universe Today many of us live without access to the visionary part of our psyche We tend to think of life as being unpredictable and random a series of disconnected events flowing like an arrow through time Living the Magical Life opens a doorway to a deeper vision of the world A closer look has convinced me that life is more like an ecosystem than a linear equation All the parts are interconnected This feeling for the relationship between things seeing the world as a cat's cradle of interconnections rather than as a set of isolated fragments is something I learned from being a collage artist everything is related to everything else Nothing is isolated Nothing exists separately from the rest And synchronicities are the nodal points magic moments where seemingly unrelated events are woven together to form a single undivided world fabric

**Zelma, the Mystic** Alwyn M. Thurber, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1897 edition Excerpt CHAPTER XVII A MESSAGE OF SORROW SHE WILL LIVE It Might have been a week later and during the morning hour of meditation in the Temple of Silence that the attention of each member present was arrested by a summons from without This as Zelma afterward remarked was the first time the vibratory effects of the disk at the door had ever reached the Temple proper Just previous to this some remarkable changes had been taking place in the crystal discernible to all First there had appeared a peculiar shadow resembling pale moonlight This covered the entire globe In the midst of this there appeared what might be described as a steady but soundless waterfall having blue green tints and above this hung two weeping willows Rightly interpreted the scene was suggestive of sadness so that when the summons fell upon the silence it conveyed a somewhat sombre message to those who listened It was yet early in the day and no visitor was expected hence the summons seemed all the more significant It was not long before the exercises were completed and Zelma as soon as he

had changed his apparel went below The caller was none other than Mr Gilbert The gentleman s features gave tokens of some deep sorrow and observing this Zelma led the way quietly to the east room where he closed the door from all intrusion With no formality whatever Mr Gilbert sank into a chair like a man bereft of all physical and mental endurance Zelma forewarned as he had been strove to maintain an attitude of peace and tranquillity His first words were lowly spoken and fraught with purest spiritual accents And another link in the chain is being forged and the heart of him who loveth is troubled as it would seem beyond repair he said very slowly
