NATURE MYSTICISM

Mysticism And Nature

Carl H. A. Bjerregaard

Mysticism And Nature:

Nature Mysticism John Edward Mercer, 2019-11-26 In *Nature Mysticism* John Edward Mercer embarks on an intellectual exploration of the profound connections between nature and the human experience. The book is characterized by its lyrical prose and philosophical depth, weaving together elements of mysticism, ecology, and spirituality. Mercer draws upon a rich tapestry of literary traditions from Romantic poets to contemporary environmental thinkers to illustrate how nature can serve as a conduit for transcendental insights. Each chapter invites readers to contemplate their own relationship with the natural world, inviting an experiential understanding that transcends mere observation. Mercer, an accomplished essayist and scholar of comparative literature, has spent years studying the intersection of literature and environmental philosophy. His background in both Western and Eastern mystical traditions informs his writing, allowing him to synthesize complex ideas in a manner that is both accessible and thought-provoking. This dual perspective has led him to appreciate the timelessness of nature's influence on human consciousness and the essential role it plays in shaping our spiritual lives. For readers seeking a deeper connection with the natural world and a richer understanding of the mystical dimensions of life, *Nature Mysticism* is an essential read. Mercer's thoughtful examination challenges us to reconsider our place within the ecosystem, inspiring readers not only to reflect on their experiences but also to engage actively with the wonders of the world around them.

Mysticism Evelyn Underhill, 2002-01-01 The work of a noted British authority on mysticism, it is divided into two parts: the first provides an introduction to the general subject of mysticism and its relation to metaphysics, psychology, theology, magic, and symbolism. The second and longer part contains a detailed study of the nature and development of spiritual or mystical consciousness, including such topics as the awakening of the self, the purification of the self, voices and visions, introversion, ecstasy, and rapture, the dark night of the soul, and the unitive life. An interesting appendix provides a historical sketch of European mysticism from the beginning of the Christian era to the death of Blake.

Nature Mysticism John Edward Mercer, 2015-09-07 A wave of mysticism is passing over the civilised nations. It is welcomed by many, but more often it is mistrusted. Even the minds to which it would naturally appeal are often restrained from sympathy by fears of vague, speculative driftings and of transcendental emotionalism. Nor can it be doubted that such an attitude of aloofness is at once reasonable and inevitable. For a systematic exaltation of formless ecstasies at the expense of sense and intellect has a tendency to become an infirmity if it does not always betoken loss of mental balance. In order therefore to disarm natural prejudice, let an opening chapter be devoted to general exposition of aims and principles. The subject is *Nature Mysticism*. The phenomena of nature are to be studied in their mystical aspects. The wide term *Mysticism* is used because in spite of many misleading associations, it is hard to replace. Love of nature is too general, cosmic emotion is too specialised. But let it at once be understood that the *Mysticism* here contemplated is neither of the popular nor of the esoteric sort. In other words, it is not loosely synonymous with the magical or supernatural, nor is it a name for peculiar forms of ecstatic experience which claim to

break away from the spheres of the senses and the intellect It will simply be taken to cover the causes and the effects involved in that wide range of intuitions and emotions which nature stimulates without definite appeal to conscious reasoning processes Mystic intuition and mystic emotion will thus be regarded not as antagonistic to sense impression but as dependent on it not as scornful of reason but merely as more basic and primitive *Lectures on Mysticism and Nature*

Worship Carl Henrik Andreas Bjerregaard,2010 *Mystical Encounters with the Natural World* Paul Marshall,2005-07-07

Some experiences of the natural world bring a sense of unity knowledge self transcendence eternity light and love This is the first detailed study of these intriguing phenomena Paul Marshall explores the circumstances characteristics and after effects of this important but relatively neglected type of mystical experience and critiques explanations that range from the spiritual and metaphysical to the psychoanalytic contextual and neuropsychological The theorists discussed include R M Bucke Edward Carpenter W R Inge Evelyn Underhill Rudolf Otto Sigmund Freud Aldous Huxley R C Zaehner W T Stace Steven Katz and Robert Forman as well as contemporary neuroscientists The book makes a significant contribution to current debates about the nature of mystical experience *Lectures on Mysticism and Nature* *Worship* Carl H. Bjerregaard,1991-01-01

Mysticism in Nature Kelly Peterson,2002 *Mysticism: A Study in Nature and Development of Spiritual Consciousness* Evelyn Underhill,2017-02-15 Remaining a classic in its field this book explains first how mysticism relates to such things as vitalism theology psychology symbolism and magic This treatment may seem unusual for Christian mysticism but it relates widely to the world as we know it and the different practices therein Part Two explores the awakening purification and illumination of yourself and gives solid groundwork for such things as voices visions dreams and other mystical experience *Mysticism* Evelyn Underhill,1930 *Lectures on Mysticism and Nature* *Worship* C. H. A.

Bjerregaard,2014-03 This Is A New Release Of The Original 1897 Edition *The Role of Nature* *Mysticism in Building Ecological Theology and Ethics* Rachel M. Knight-Messenger,2025-12-11 This book argues that nature mysticism is an excellent source for building an ecological ethic that takes seriously the human responsibility in creation *Ecomysticism*

Carl von Essen,2010-10-19 Explores the philosophy science and spirituality of nature mysticism and its Green calling Offers a solid bridge between spiritual practice and environmental activism Reveals how we can heal the environment by renewing our connection to it Shows how spiritual encounters in nature are healing the Nature Deficit Disorder of our psyches and bodies Many have been struck by a majestic moment in nature a sole illuminated flower in a shady grove an owl swooping silently across a wooded path or an infinitely starry sky and found themselves in a state of expanded awareness so profound they can feel the interconnectedness of all life These trance like moments of clarity unity and wonder often incite a call to protect and preserve the earth to support Nature as she supports us Termed nature mysticism people from all cultures have described such experiences However the ever increasing urbanization of the world s population is threatening this ancient connection as well as the earth itself In Ecomysticism Carl von Essen explores nature mysticism through the recorded

experiences of outdoor enthusiasts as well as scientific studies in biology psychology and neuroscience Citing consciousness scholar William James and a variety of well known nature lovers such as Ansel Adams Henry David Thoreau and Ralph Waldo Emerson von Essen shows how the spiritual transcendence from an encounter in nature like other mystical experiences is healing the Nature Deficit Disorder of our psyches and bodies leading to an expansion of our worldview and a clearer understanding of our self and of our natural world Offering a solid bridge between spiritual practice and environmental activism von Essen s spiritual ecology reveals how only through a renewal of humanity s spiritual connection to nature can we effect true environmental healing Nature Mysticism J. Edward Mercer,2014-03 This Is A New Release Of The Original 1913 Edition **LECTURES ON MYSTICISM & NATURE** Carl H. A. Bjerregaard,2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Mysticism, Its True Nature and Value** Alfred Bowyer Sharpe,1910 **Mysticism** A. B. (Alfred Bowyer) Sharpe,2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Nature of Mysticism** C. Jinarājadāsa,1917 **Mysticism: Its True Nature and Value** Alfred Bowyer Sharpe,1911 The Real Nature of Mystical Experience Gopi Krishna,1978 **Lectures on Mysticism and Nature Worship (Classic Reprint)** Carl H. A. Bjerregaard,2018-01-19 Excerpt from Lectures on Mysticism and Nature Worship Most of the following lectures were delivered in Chicago November 28 30 1896 but they have been thoroughly revised and much enlarged for print About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the

vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Getting the books **Mysticism And Nature** now is not type of challenging means. You could not deserted going in imitation of books collection or library or borrowing from your contacts to edit them. This is an agreed simple means to specifically acquire guide by on-line. This online publication **Mysticism And Nature** can be one of the options to accompany you like having extra time.

It will not waste your time. take me, the e-book will utterly flavor you further concern to read. Just invest little epoch to entrance this on-line pronouncement **Mysticism And Nature** as well as review them wherever you are now.
