**Mystics, Mavericks, and Merrymakers** Stephanie Wellen Levine, Carol Gilligan, 2003-11-26 Absorbing one subculture's corrective to Reviving Ophelia in that it offers a refreshing portrait of adolescent girls who are far from insecure Publishers Weekly starred review From the ardently religious young woman who longs for the life of a male scholar to the young rebel who visits a strip club smokes pot and agonizes over her loss of faith to the proud Lubavitcher with a desire for a high powered career Stephanie Wellen Levine provides a rare glimpse into the inner worlds and daily lives of these Hasidic girls Lubavitcher Hasidim are famous for their efforts to inspire secular Jews to become more observant and for their messianic fervor Strict followers of Orthodox Judaism they maintain sharp gender role distinctions Levine spent a year living in the Lubavitch community of Crown Heights Brooklyn participating in the rhythms of Hasidic girlhood Drawing on many intimate hours among Hasidim and over thirty in depth interviews Mystics Mavericks and Merrymakers offers rich portraits of individual Hasidic young women and how they deal with the conflicts between the regimented society in which they live and the pull of mainstream American life This superbly crafted book offers intimate stories from Hasidic teenagers' lives providing an intriguing twist to a universal theme the struggle to grow up and define who we are within the context of culture family and life driving beliefs In an era seemingly plagued with sex anorexia and depression among our nation's girls a page from Mystics Mavericks and Merrymakers is a refreshing peek into the possibilities for growth strength and self The Jewish New Weekly of Northern California

**Mystics, Mavericks, and Merrymakers** Stephanie Wellen Levine, 2000 Unchosen Hella Winston, 2005 When Hella Winston began talking with Hasidic Jews for her doctoral dissertation in sociology she was excited to be meeting with members of the highly insular Brooklyn Satmar sect Several Jewish journalists and scholars have produced admiring books describing the Lubavitch way of life and the groups' outreach efforts but very little has been written about the other Hasidic sects despite their combined greater numbers Unlike Lubavitch members of these other groups do not engage in outreach and are raised to avoid all unnecessary contact with outside society Winstons access was unprecedented She never could have guessed what would happen next that she would be introduced slowly and covertly to Hasidim deeply unhappy with their highly restrictive way of life and sometimes desperately struggling to leave their communities First there was Yossi a young man yearning to leave but like most male Hasidim a Yiddish speaker with only fourth grade English and math skills Then she met Dini a wife and mother called before the all male modesty patrol because someone had spotted her outside a bar in a T shirt and miniskirt There were others still who had actually left Unchosen tells the story of these and other rebel Hasidim serious questioners who long for greater personal and intellectual freedom than their communities allow In so doing Unchosen forces us to reexamine the history of these communities and asks us to consider what we choose not to see when we romanticize them **The Beauty Suit** Lauren Shields, 2018-05-15 A young feminist finds herself questioning why hotness has become necessary for female empowerment and looks for alternatives

Looking good feels good But in a society where looking good is posited as being strong while negotiating for better pay is statistically proven to damage our careers is it fair to say that wicked eyeliner weekly blowouts and a polished Instagram feed are the keys to our liberation If so if hot really is a good enough synonym for empowered why do so many of us feel deep in our bones that the sexy as strong model is a distraction Is pretty still the closest to power women can get Why is looking fierce an acceptable substitute for living in a world where women are safe Inspired in seminary by American Muslimahs who wear the hijab for feminist reasons Lauren Shields took off what she calls the Beauty Suit the done hair the tasteful and carefully applied makeup the tight clothes and foot binding shoes for nine months She d really only wanted to do an experiment Instead her life especially her views on what constitutes liberation changed forever Rooted in feminist theory and religious history and guided by a snappy personal narrative The Beauty Suit unpacks modern American womanhood a landscape where the female body is still so often the battleground for male ideals and where we struggle with our rights as human beings to define and exercise our freedom **Conceiving Agency** Michal S. Raucher,2020-09-01 **Conceiving Agency** Reproductive Authority among Haredi Women explores the ways Haredi Jewish women make decisions about their reproductive lives Although they must contend with interference from doctors rabbis and the Israeli government Haredi women find space for and insist on autonomy from them when they make decisions regarding the use of contraceptives prenatal testing fetal ultrasounds and other reproductive practices Drawing on their experiences of pregnancy knowledge of cultural norms of reproduction and theological beliefs Raucher shows that Haredi women assert that they are in the best position to make decisions about reproduction **Conceiving Agency** puts forward a new view of Haredi women acting in ways that challenge male authority and the structural hierarchies of their conservative religious tradition Raucher asserts that Haredi women s reproductive agency is a demonstration of women s commitment to Haredi life and culture as well as an indication of how they define religious ethics **Lilith** ,2003 **Harper's** ,2003 **Jewish Quarterly** ,2004 **The Jewish Quarterly** ,2004 **Women in North America's Religious World** Kenneth McIntosh,2005 Offers a glimpse into the lives of women from many different North American religious traditions and explains how the various faiths have inspired women to shape their families communities and the world at large **Jews at Home** Simon J. Bronner,2010 A multifaceted exploration of what makes a home Jewish materially and emotionally and of what it takes to make Jews feel at home in their environment **The Rebirth of Hasidism** Jacques Gutwirth,2005 In 1945 there were 20 000 Hasidim in the world Today there are between 350 000 and 400 000 about half of whom are living in Israel This represents a population explosion that cannot be explained in ordinary demographic terms Jacques Gutwirth gives a vivid portrait of the major Hasidic centers from Antwerp to New York and from Jerusalem and Bene Brraq to Paris He describes the main characteristics of Hasidism today as well as its contributions to spiritual and intellectual life and recent developments in its history and its influence worldwide Hasidism is a phenomenon that goes beyond any particular religious conception or lifestyle Its rapid development is linked

with contemporary politics and global economics to which it contributes in turn In this rigorous and balanced analysis of one of the most dynamic communities in Judaism the author brings his knowledge to bear on a wealth of previously unpublished information that will inspire further discussion concerning the return of the religious life in relation to its social and political context
