## **Mystics Of The:**

**Mystics of the Church** Evelyn Underhill, 2002-07-08 Evelyn Underhill's classic book on mysticism shows not only the historic development of Christian mysticism and its influence on the Church but gives a deep insight into the spiritual growth of the individual mystics their struggles achievements and influence Covering the whole development of the Christian Church from St Paul to the present century the author illustrates the differing backgrounds and approach of many of the great mystics such as St Augustine of Hippo whose writings helped to create the Church's understanding of its mystical character and St Francis of Assisi whose example proved an inspiration to many The book gives much more than an opportunity to meet the great mystics it also provides a framework for the analysis of true mysticism and false contrasting Catherine of Sienna a girl of the people whose transcendental mysticism benefited many in an age of ecclesiastical degradation with the well born and beautiful Madame Guyon whose excesses brought mysticism into disrepute Evelyn Underhill illuminates the whole of her subject by drawing attention to the differences of approach that can bring mortals along the road to the divine from the zealous militancy of a Loyola to the passivity of the Quietists This absorbing study by one of the great writers on mysticism covers every aspect of the subject and gives a clear understanding of the mystics world in writing that is both informative and stimulating

**Introduction to the Medieval Mystics of Europe** Paul E. Szarmach, 1985-06-30 The European Middle Ages bequeathed to the world a legacy of spiritual and intellectual brilliance that has shaped many of the ideals preconceptions and institutions we now take for granted An Introduction to the Medieval Mystics of Europe examines this phenomenon in vivid and scholarly accounts of the lives and achievements of those men and women whose genius most inspired their own and subsequent ages These great mystics explored and consciously realized the relationship between human life and unconditioned transcendence Representing both the contemplative and scholastic traditions the mystics in these studies often found their solutions to ultimate questions in radically different ways Some of them such as Eckhart Aquinas and Cusa may already be familiar and here the reader will benefit from a new approach and summary of extensive research Others such as Smaragdus and several of the women mystics are little known even to specialists Finally and unusually for a study of European mysticism the influence of Spanish Kabbalists is discussed in relation to the Zohar and two figures from the mystical school of Safed Cordovero and Luria Though the essays focus on individuals the cultural and social implications of their lives and work are never ignored for the mystic way did not exist separately from the rest of medieval life it functioned as an integral part of the whole influencing the development of Christian and Jewish religions in both their internal and external forms
