**Robert Holdstock's Mythago Wood** Paul Kincaid, 2022-08-20 This book is a detailed examination of one of the most important works of fantasy literature from the twentieth century. It goes through *Mythago Wood* by Robert Holdstock considering how it engages with war on a personal and family level how it plays with ideas of time as something fluid and disturbing and how it presents mythology as something crude and dangerous. The book places *Mythago Wood* in the context of Holdstock's other works noting in part how complex ideas of time have been a consistent element in his fiction. The book also briefly examines how the themes laid out in *Mythago Wood* are carried through into later books in the sequence as well as the *Merlin Codex*

Merlin's Wood Robert Holdstock, 2014-01-30 In those days Broceliande was a terrible place an ancient gloomy forest growing over misty dells forgotten stones a place of hidden lakes and strangling thickets. Though the true heart of Broceliande could never be found the stink of its corruption oozed from the edgewood shedding ghosts like autumn leaves. This was the forest of legend where Merlin had come to dream his magic and the enchantress Vivien had come to beguile that magic from him. Martin and Rebecca have long since fled the forest but when they are forced to return years later for their mother's funeral they are at once ensnared in the forest's net of enchantment an evil that has held the local villages in a root strong grip. And when Rebecca gives birth to Daniel a beautiful

child who is deaf dumb and blind she finds herself sucked into a twilight world where she can see only strange mysterious shadows     Avilion Robert Holdstock,2009-07-23 The triumphant return to the world of MYTHAGO WOOD one of the greatest fantasy novels of the twentieth century At the heart of Ryhope Wood Steven and the mythago Guiwenneth live in the ruins of a Roman villa close to a haunted fortress from the Iron Age from which Guiwenneth s myth arose She is comfortable here almost tied to the place and Steven has long since abandoned all thought of returning to his own world They have animals protection and crops They also have two children a combination of human and mythago Jack is like his father an active boy keen to know all about the outer world Yssobel takes after her mother even to her long auburn hair But this idyll cannot last The hunters who protected Guiwenneth as a child have come to warn her she is in danger Yssobel is dreaming increasingly of her Uncle Christian Steven s brother who disappeared into Lavondyss and Jack wants to see the outer world more than anything Events are about to overtake them     The Mythic Fantasy of Robert Holdstock Donald E.
