## Mythosian Chronicles:

**Centaur Chronicles** Richard Hurd, 2008-06-24 Centaur Chronicles follows the adventures of a human scientist from an alternate time line that ends up on the planet Mythos. This college professor gets unwillingly transformed into a centaur to save himself from dying in a laboratory experiment gone horribly wrong. The magic of Mythos is his only hope of survival as technology is useless in his particular case. As a centaur he adopts the name Centaur and he has to get used to his new much larger muscular body. Centaur quickly learns his new body has instincts of its own that will not be denied. Along the way he becomes the ideal leader of the centaur community. Part of his new job is to figure out how to best combine ancient mythology and futuristic technology in such a way as to best benefit all centaurs and his new adopted homeworld. At the same time he has to cope with the loss of his own personal past as it is discovered he and Ambassador Cat share more than just common genetics.

**Bloodroot: 101 Dadmations** Tim Lewis Rue, 2009-12-22 Lewis Lew B Castner my maternal grandfather was a night watchman boilerman when he passed away at the age of 75 on March 11 1963. Lew was an ordinary hard working man neither financially wealthy nor famous. However Lew was wealthy with friends and family the rooms at the funeral home in Belvidere were packed with people. Lews funeral service provided inspiration for this book. The pastor gave a short sermon he then asked if anyone cared to tell a tale about my grandfather. A number of people one after another stood up and told a story about Lew. I was eight and wished that I had a pad and a pen to record the stories regretting that they would be lost to memory. The compilation of these stories as poems is to preserve them from being lost to memory. Bloodroot was the name of a plant displayed in my botany class at West Virginia Wesleyan College. The stem when cut resembles bleeding. In regards to genealogical bloodlines I concluded that the term Bloodroot would be a good title for this collection of mostly family stories. My daughter Beth Ann suggested the title 101 Dadmations and the two were combined Bloodroot 101 Dadmations.

**Cat Chronicles** Richard Hurd, 2007-02-01 Our Demons Our Forefathers Ghostly Encounters in a Sleepy New England Town is a collection of supernatural encounters that span a period of almost three decades. The adventures and encounters will enchant haunt and entertain as you travel through time and meet some of the colorful personalities of Westport both living and dead.

**Lord Wizard Chronicles** Richard Hurd, 2006-06-01 Lord Wizard Chronicles follows the adventures of a modern day man who through a freak accident is jettisoned through time and space to the 24th century. While exploring a mansion on a distant world the man discovers a book of spells. Through study and another strange occurrence he becomes a powerful sorcerer.
