

The background of the entire page is a sepia-toned photograph. It depicts a man and a woman, likely from a non-Western culture, standing in front of a building with a steeply pitched, thatched roof. The man is on the right, wearing a light-colored, patterned garment and a head covering. The woman is on the left, wearing a dark, patterned garment and a head covering. They are both looking towards the camera. The lighting is soft, and the overall tone is historical and ethnographic.
